

### Santiam Sportsmen Plan Derby Rules

Tentative rules governing the summer fishing derby sponsored by the North Santiam Sportsmen's club was the primary item of business before the group at their Monday night meeting in the Mill City American Legion hall.

A few refinements were voted into the rules that governed last year's derby. All fish this year will be entered by dressed weight, with the gills removed.

Prizes will be awarded in the cut-throat trout, rainbow, and eastern brook classifications. Prize for the rainbow will go again for the heaviest fish under 20 inches in length, as the game commission classes a rainbow over 20 inches as a steelhead.

A German brown or dolly varden classification was added with the Meander Inn furnishing the prize for this class. The biggest dolly or brown will take the prize.

Check-in stations will again be Camp's sporting goods and Santiam hardware, in Stayton; Ken Golliet's in Mehama; and Meander Inn in Mill City.

Final rules will be announced before the summer trout season opens April 18.

The Sportsmen also voted to sponsor a set of drapes for a two-window room at the new Santiam Memorial hospital scheduled to open soon.

Mrs. Ione Love Thielke sang songs of Oregon, and a movie "Natural Resources of Oregon", provided the evenings entertainment.

More than 70 members attended and lunch was served by the ladies of the organization.
