Missionary Appears Here April 8th

Dr. Ralph C. Lewis, Presbyterian missionary on furlough from China, will speak at Mill City Presbyterian church on Wednesday, April 8 at a 6:30 family night dinner. Also at a school assembly for the grade and high school at 12:50 p.m., April 9.

Dr. and Mrs. Lewis were the last Presbyterian missionaries to leave Peking, China. For the past three years they have lived there under the Communist regime, and know from firsthand experience what effect the restrictions of the new government will have on Christian work. Although Dr. Lewis' movements had to conform to official regulations, he was allowed to continue some medical work in the hospital up to the time of his departure.

It is almost twenty years since Dr. Lewis first went to China, and in that time he has lived and worked in several different cities. His first assignment was Shunteh in North China where he was in charge of the Presbyterian mission hospital, and conducted clinics in neighboring villages.

To medical work he added Bible classes for boys in the Normal School and an active part in church activities.

Transferred to Peking, he found real stimulus in working with the doctors of Douw hospital, all young men who kept themselves thoroughly abreast of the times by frequent attendance at the clinics and conferences at Peking Union Medical college. During the war Dr. Lewis' hospital work became more and more surgical as the number of patients suffering from wounds and infections from shells and bombs increased.

After Pearl Harbor Dr. Lewis spent some months in a concentration camp, and was then repatriated in 1943. He returned to Peking in 1946 and divided his time between the hospital there and the one in Paoting which is not very far from Peking. After a brief period in Shanghai and Hongkong at the time the Communists were establishing themselves in Peking, Dr. Lewis returned to the north, and has continued his work in Peking until he came back to the United States in the spring of 1952.

Dr. Lewis is from California, and is a graduate of Occidental college. He holds a master's degree from the University of California, and an M.D.

She is staying at the home of her sister Mrs. Morn Hinwig, of Albany.

THE SYMBOL OF LIFE

Easter lilies and a cross. A strange and wonderful symbol of life.

The lily is among the most delicate of flowers. And the cross is an ancient instrument of execution.

But the lily is pure and fresh and alive with beauty. And the Cross reminds men of the Christ who rose from the grave.

Together they echo the promise the first Easter fulfilled, the promise of eternal life for all who believe in Jesus, the Son of God.

But Easter lilies and a cross are only a symbol. To find the true joy of Easter and its wondrous promise—come to Church on Easter Sunday.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
