

STRONGBARN

Means **BETTER** Barns
Cheaper and Easier

Yes, Strongbarn Granite City Steel's Corrugated, Galvanized Steel Roofing and Siding, means a better barn. Here's why.

- Strongbarn is stronger—nearly twice as strong as any conventional material.
- Strongbarn is lighter—up to 21 lbs. per square lighter.
- Strongbarn fits tight—stays flat and even, makes snug joints, resists wind.
- Strongbarn is easy to apply—strong, light sheets go up quickly and easily.
- Strongbarn is cheaper—you save money on framing and labor.

Come in and see this modern roofing and siding. We'll be glad to show you how to build with strong, light, Strongbarn.
