Jan Rutherford, daughter of Mr. and Mrs. Harry Rutherford entertained a host of her friends at her home Friday afternoon, in honor of her eleventh birthday.

Those attending were from Jan's class (5th grade) and other friends.

The event was to have been an outdoor party with a picnic lunch. Since the weather intervened, the affair was held inside.

Mr. and Mrs. Lee Smith (formerly Madge Harlan) and family of Foss, Ore., visited at the Wilbur Harlan home on Sunday.

Mrs. Hilma Dickie received a painful injury to the leg, when she slipped and fell on a concrete step last week.

Mrs. Dickie has been caring for Mrs. Lloyd Ketchum who recently returned from the hospital.

Paul Freeman of Idanha is under the care of a Salem physician for the removal of four splinters which entered the eye while at work last week.

He is employed by the Savage Logging company.

Folks you will enjoy real honest to goodness home cooked food at the

Spillway (Idanha) lunch counter, under the management of Mrs. Melba Delliare.

Due to the recent burning of the Idanha Shingle mill its employees were forced to seek employment elsewhere.

Several found work in Portland. Vern Faulhaber is at New Era, near Canby.

Mr. and Mrs. Robert Leis of Los Angeles, Calif., son and daughter-in-law of the Joe Leis' arrived for Mother's day, for a week's visit with the folks.

Robert who was with the anti-aircraft artillery was released from his battalion the first of the year, after serving a year and a half in Wakenheim, Germany. He is now employed at Douglas aircraft in Los Angeles.

While here the young couple motored to Woodburn for a visit with a couple of Robert's buddies who was in the same company overseas. All enjoyed the Ice Follies in Portland Wednesday night.

Mrs. Harry T. Humphrey of Newport on her way to Detroit for a visit with her son Brad and family, visited with friends in Salem enroute.

After a short visit here, the Humphrey family accompanied her to Newport, returning Wednesday night.

ARE THE CLOUDS BREAKING?

No one doubts that we are living in troubled times. Few generations have faced such a constant threat of war; none has known such appalling weapons of destruction. A storm of terror threatens to engulf the world. Yet, there are some who see signs that the clouds may be breaking. They point to crowded churches . . . Sunday Schools with record enrollment . . . tremendous demand for the new translation of the Bible. They reason that such concern for the spiritual realities of life is certain to have effect on the course of our history.

Whether we share their optimism or not, there is no denying the promise on which it is based. Though we cannot read the future, we can read the past. Man's hope of peace and happiness, in national and in personal life, has always rested upon spiritual foundations.

People who want the peace of God must turn to God to find it!

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Book	Chapter	Verses
Sunday . . . Genesis	9	8-17
Monday . . . Exodus	14	15-20
Tuesday . . . Psalms	65	1-13
Wednesday . . . Psalms	95	8-17
Thursday . . . Isaiah	6	1-8
Friday . . . Matthew	16	1-4
Saturday . . . Luke	12	54-59

Your Physician is no "MEDICINE MAN"

● Don't expect your Physician to perform miracles. Remember, it takes more time and effort to climb uphill than to coast down! Your patience and full co-operation are essential to rapid recovery.
