THE WORLD IN HIS HAND

Got the world in your hand young man? You have the best part of it. Your hand is on the church door—it will open a world of love and hope and fulfillment for you, a world of goodness that you can hold on to.

There will be other doors that open on other things, plenty of them, things that won't seem fair, that will hurt, that will let you down. Hold on to the world you have. Enter it often.

Some of us have tried other doors. When we did we lost the look that is in your eyes.

Some of us have found your door and your look again after years of searching.

Hold on to the world you have young fellow. Someone who loves you put that door within your reach, someone with wisdom enough to know that you can never find a world worth clinging to outside the Church.

HOLY BIBLE
THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
