

Majestic Detroit Dam shimmers in afternoon sunlight as final preparations are made for its dedication today. The event is the high point in seven years of construction activity on the project, but work will continue on smaller scale for another year. Powerhouse and Big Cliff Dam remain to be finished. ## GATES

Virgil Heath of Medford was a weekend visitor at the home of his parents, Mr. and Mrs. Gerald Heath.

Mr. and Mrs. Warren Varcoe left Sunday morning for Richland, Wash., where Mr. Varcoe has accepted employment. Mr. and Mrs. Varcoe had

resided in Gates for the past three years while Varcoe had been employed at the Detroit dam.

In the absence of Mrs. Martig's mother, who was ill and in Seattle, Mrs. Martig acted as hostess at a dinner party Saturday evening and at "brunch" Sunday morning to a large group of friends.

Mr. and Mrs. Len Young are receiving congratulations on the birth of their first grandchild, a baby girl, weighing six pounds, born Sunday, June 7, to their daughter, Mrs. Colis Heath at the Santiam Memorial hos-

pital. Mrs. Heath, whose home now is in Klamath, Calif., has been at the home of her parents for the past month. Mr. Heath is in the logging business in Klamath.

## Little North Fork Yields Big 21-in. Goldfish

Mehama — A gold fish is causing considerable talk in this area. The golden beauty is a 21-inch, 4-pound fish that was hooked in the Little North Fork by Felix Lucier.

Pulling a smaller fish to shore he noticed the gold monster following it. Rebaiting his hook he cast again and this time landed the huge gold fish.

It was kept alive by placing it in a tub of fresh water. At present the gold fish is in a spring at the Ray Roberts residence, still very much alive.

## Canyon Avenue--

(Continued from Page 1)

Don Moffatt of Gresham, Ore. The Moffatts will take over the duties of publishing on June 29, and I shall move my family to Gresham and work as a printer for the Sandy Post.

The work of publishing The Enterprise has been a fascinating experience. I have enjoyed it very much, but I have been working just too hard and too many hours, until I don't feel I want to risk a physical breakdown, life is just too short for that.

We shall miss the many friends we have here because our roots are almost too deep to pull up and leave this beautiful canyon. We are deeply grateful to the many advertisers who have faith in us and have helped to make possible an independent newspaper in this community—they deserve your continued patronage.

The Moffatts are a hard working family with many years experience in newspapers. They have a son at home who will be in the eighth grade next year, and one married daughter living near Gresham. I am sure they will merit the loyal support of the canyon, as you all work for the success and well-being of the North Santiam and its people. They will produce a fine newspaper worthy of this wonderful canyon.
