## GATES

Mrs. Albert Millsap

Otis Chance, member of the local Boy Scouts, son of Mr. and Mrs. Edward Chance, left Friday for Salem

to join other scouts from this area who will attend the third national jamboree of the Boy Scouts of America, at Santa Ana, Calif. The jamboree will open July 17 and last for one week. The boys, at the end of a week's camping will be taken on a tour which will take them through several states.

Mr. and Mrs. Philip Cann from Vallejo, Calif., purchased the Fred Butler property here this week. Mr. and Mrs. Butler have operated the Gates Trailer Court for several years past. The property includes several acres of land, a dwelling, the trailer court, utility house and a business building, which formerly housed the Gates Cafe and a grocery store. It is located on the highway in the west part of town. Mr. and Mrs. Butler and two sons left Friday for Longbeach, Calif., their former home, when the new owners took possession.

Interesting guests at the home of Mr. and Mrs. Kenneth Martig last Sunday were the Drs. Guenther and Annelie Harnisch, husband and wife, who came to the United States a year ago from Germany. They are making their home at present in Salem.

Mr. and Mrs. Edwin Kadine and daughter Judy left Thursday evening for Ladysmith, Wisconsin, where they will visit Mr. Kadine's mother who is seriously ill. They were accompanied on the trip by Mr. Kadine's brother and sister-in-law, Mr. and

Mrs. Rudolph Kadine of Salem. The group will also visit in Minnesota with relatives before returning home. Out of state guests the past week at the home of Mr. and Mrs. Percy Mulligan were Mr. and Mrs. Roy Magnuson and two children from Minneapolis, Minnesota.

Sunday, Mr. and Mrs. Walter Thomas and three children spent the day at Breitenbush. While the children stayed at Hot Springs and enjoyed an afternoon swimming in the

tank, Mr. and Mrs. Thomas hiked into Breitenbush Lake, through several feet of snow to try their luck fishing. Mrs. Thomas took an unintentional swim in the lake. She reports the water in the lake is "plenty cold". She does not recommend the lake as a pleasant place to go bathing. They caught three fish.

Mr. and Mrs. Don Carey and son of Stayton spent the weekend at the home of Mrs. Carey's parents, Mr. and Mrs. Harold Wilson.
