Lee Kuhlman's Announce Engagement of Daughter

Mr. and Mrs. Lee Kuhlman of Mill City recently announced the engagement of their daughter, Donna Arlone to Cpl. Marvin F. Bibler, son of Mr. and Mrs. Frank Bibler of Salem.

A late August wedding is planned. Miss Kuhlman graduated from Mill City high school and attended Oregon State College where she is a member of Delta Delta Delta sorority.

Cpl. Bibler is in the U. S. Marines and is stationed at El Toro, Calif., where the couple will make their home after the wedding.

Mr. and Mrs. H. E. Smith of Mill City drove to Longview, Wash., Saturday. They returned Sunday, accompanied by their daughter who had spent a two weeks vacation in that city. Mr. and Mrs. Van Prichard of Lyons, parents of Mrs. Smith, were with them to Longview.

Birthday Party Held For Carol Sue Ball

GATES—Carol Sue Ball was twelve years old Saturday. To help her celebrate the happy occasion, her mother, Mrs. Clarence Ball, invited a number of her friends to her home for an afternoon of fun. Party games, the opening of gifts and refreshments provided amusement for the group which included Donna Kee, of Longbeach, Calif., Darlene Joaquin, Patsy Pennick, Charlene and Cheryl Evans, Jean Martig, Kande Henness, Isabelle Blackburn, and Connie Stewart. Assisting the hostess were her mother and sister, Mrs. Arthur Blackburn and Mrs. Clare Henness.

Beauford Flatman, accompanied by Delores Meals and her father, John Meals, spent Sunday at Detroit Lake fishing. They reported no luck but that another party by the name of Braddock and his son from Gates, caught 17, all of them good sized.

Post-Nuptial Shower Is Given For Mrs. Don Bates

GATES—Mrs. Glen Henness, Mrs. Merle Devine and Mrs. Burrel Cole were hostesses Saturday evening in the recreation rooms of the high school at a post-nuptial shower, complimenting Mrs. Don Bates, nee Joan Ryal, a bride of two weeks.

Games and the opening of the many lovely and useful gifts received, provided entertainment for the evening. Dainty refreshments were served by the hostesses at a table beautifully decorated for the occasion. Seated were the honored guest, Mrs. Bates, and her mother, Mrs. Barney Ryal; her aunt from Salem, Mrs. O. S. McGee; the groom's mother, Mrs. Byron Bates of Mill City and Mesdames Henry Eccleston, Clarence Ball and Carol Sue, Clarence Rush, Clyde Morgan, Lyle Rush and Diane of Salem, Clare Henness and Kande, George Stafford, John Watson, Floyd Volkel, Walter Brisbin, Albert Millsap and the Misses Betty Watson, Isabelle Blackburn and Lorena Devine. Why FORD'S your best buy!

"Best buy" where you ride! Ford's foam-rubber cushioned seats, front and rear, are sofa-wide and sofa-soft. Interior fabrics, color-keyed to Ford's smart outside colors, would be a credit to any car at any price.

"WORTH MORE" IS THE ANSWER... IT COSTS SO LITTLE TO BUY... SO LITTLE TO RUN... AND HAS SUCH HIGH RESALE VALUE!

The best buy in an automobile usually means the amount of pleasure and satisfaction the owner gets from his original investment, plus low day-to-day running costs, plus the amount of value he recovers when he sells his car.

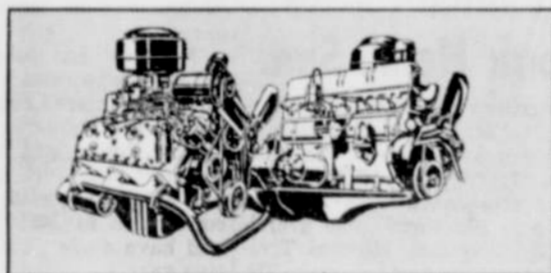

What is it that makes Ford your best buy? Is it the fine styling and craftsmanship of its Crestmark Body... or its new "ride" with curve-hugging and hump-leveling qualities never before known in low-priced cars? Or is it Ford's famous V-8 or

Mileage Maker Six? Maybe it's the easy way the car handles with Fordomatic Drive, or Ford's Master-Guide power steering! Perhaps it's Ford's suspended pedals, or Center-Fill Fueling or Full-Circle Visibility!

Actually, it's not just any one or two of these fine things that make Ford your best buy. It's all of Ford's "Worth More" features combined... features which make Ford worth more when you buy it... and worth more when you sell it!

"Best buy" where you drive! Ford's suspended pedals operate more easily... eliminate dusty, drafty floor holes. And Ford drivers have a choice of Fordomatic Drive, Overdrive or Conventional transmission.

"Best buy" in engine power! Only Ford in its field offers you a choice of V-8 or Six. Ford has built more V-8's—over 13,000,000—than all other makers combined. And Ford's Six—the most modern in the industry—with Overdrive, won the Mobilgas Economy Run Grand Sweepstakes!

"Best buy" in power steering! Ford's Master-Guide (available on all V-8 models) supplies hydraulic "muscles"—automatically whenever you need them—to do the work of steering for you. All you do is guide the car. Makes all driving easier, and safer. And parking's so easy!

"Best buy" at the gas pumps! When you need to "fill 'er up", you do it the modern Ford way with Center-Fill Fueling. And Ford's Automatic Power Pilot gives you power to spare on a lean diet of regular gas.

"Best buy" on the road! The rougher the road the better your Ford likes it because Ford's new "ride" cuts front end road shock alone up to 80%... babies you over the humps... and cuts sideway on turns.

WORTH MORE WHEN YOU BUY IT... WORTH MORE WHEN YOU SELL IT
