### AS SHEEP WITHOUT A SHEPHERD?

The flock may seem to have no shepherd... But study the picture again!  
Notice that the sheep are moving in a common direction? The several which have paused for a last nibble, and even the couple whose inquisitive heads have turned to gaze at our camera, are still on a path that someone has chosen.  
Now look around you in the world. Do men seem as sheep without a shepherd—confused, lost, afraid?  
But watch a little longer—you'll see millions moving forward in a common direction. They are sheep who have found *The Shepherd*. Though they belong to different churches, their common faith in Christ brings order out of chaos in their lives, and gives hope and destiny to their steps.  
For you who are tired of wandering and wondering—the Church offers a Path... and a Fold.

**THE CHURCH FOR ALL... ALL FOR THE CHURCH**  
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
