JUST IMAGINE

To say that we Americans have unrivalled living standards is simply to repeat something that has been said countless times. And the reason for this repetition is that it is true. The retail store is the show window of our abundance. In a little town or a vast metropolis, these stores offer an almost bewildering varied selection of goods, at prices which, measured in the light of the average family's income, are reasonable.

Contrast this with conditions in Russia, the home of communism—the system which claims to free the masses of men and women from capitalist exploitation and bring them the resulting material benefits.

Imagine a shortage of almost everything; imagine spending hours standing in queues to make ordinary purchases; imagine milk dished out in open cans on street corners; imagine an absence of screens and the presence of more flies than there are dollars in our national debt; imagine working a month for the wherewithal to buy a shoddy suit of clothes.

Just try to imagine these conditions next time you go shopping. Then decide what you think of free, competitive enterprise and the system which makes it and all other freedoms possible.

SOMETHING A MAN CAN BE SURE OF...

They say at Yellowstone National Park that you can set your watch by *Old Faithful*. Before the entranced eyes of countless tourists this famous geyser spouts its steaming fountain every sixty-four minutes.
Too bad there aren't more things in life that a man can be sure of... and more people he can call "faithful."

As we realize the multitude of uncertainties in life we understand the ageless appeal of Christianity. It has satisfied man's yearning for certainty. In Jesus Christ and his teachings we glimpse a God who is FAITHFUL, and whose faithfulness provides the firm foundation of man's FAITH.

Join the millions who are turning to the Church to find the truths a man can be sure of!

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
