**LAUGHING POPLARS**

The trees whose wavering branches droop to the earth are called *weeping willows*. Why not call these tall fellows, with the firm upward-reaching branches, *laughing poplars*?

People are like trees. Some droop listlessly under the burden of their own existence. They spend most of their days weeping.

Others stand upright and firm, undaunted by life's threatening storms. They can laugh, and their laughter spreads courage through the world.

Trees never change. The willow remains a willow; the poplar, a poplar.

But people *do* change. For centuries the Christian religion has been turning man's sorrow into joy, his weakness into strength.

Start worshipping every Sunday, and discover why churches are the *back-bone* of our civilization!

**THE CHURCH FOR ALL ... ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself. For the sake of his moral and material support. Plan to go to church regularly and read your Bible daily.
