MEHAMA

By Janet Lellin
(Too late for last week)
Mrs. Lille Wolfkiel has recently sold her home to Mr. and Mrs. Larry Kimsey. Friends and neighbors assisted her in moving and renovating her newly purchased house across from Ken Golliet's store. Quite unused to moving, Mrs. Wolfkiel had lived in her home ever since coming to Mehama 20 years ago, she says she'll never move again.

Mr. and Mrs. Allen Thompson are the proud parents of a son, Christian Dwane, who was born Tuesday, August 18, at 7:17 A. M. Chris weighed 8 lbs, 4 oz. He is now at home in the Thompson home in Mehama.

Sunday visitors at the Jack Smith home were Betty Collier and Tom Collier, sister and nephew of Mrs. Smith, and their daughter, Mary, who is spending the summer with Betty and Tom at her grandmother's home in Turner.

Mrs. Pearl Allaway, who recently returned from a trip back east, says the slums of eastern cities are almost unbelievable. Citing Pittsburgh, Penn., she said that people were living outside in alleys. Stoves and clotheslines filled the streets. Children were numerous with little tots darting in and out amongst the traffic.

Because of the Highway Lifesavers state-wide program alerting citizen interest, there has been a noticeable stepping-up of all traffic safety activities by local voluntary and official safety organizations. Traffic safety officials of the state, counties and cities report that the coordination of citizens groups in traffic safety work through the state organization is providing the public interest that was at times lacking heretofore.

Golly! Louie must have had his teeth sharpened

For high-speed wood cutting, your best bet is a McCulloch chain saw. It's a favorite of timbermen, because it ups log production. It's a hit with farmers, because it takes the chore out of cutting cordwood, making posts, etc. All down the line, the best name in power saws is McCulloch.
