MEHAMA

By Janet Bellin
Mr. and Mrs. Vern Dougherty, Mr. and Mrs. Floyd Pruitt of Kamiah, Idaho, Gerald Clure of Cambridge, Idaho and Martha Kunkle of Twin Falls, Idaho, spent last weekend at the Raymond Branch home. They are all cousins of Mr. Branch. While here they went to Neotau to visit Mr. Branch's sister, Mrs. Howard Siwert. Mr. Branch chartered a boat and they all went deep sea fishing Sunday morning. The sea was rough, they only caught five salmon. A large Blue shark was entangled in the fishing gear and gave them all a thrill for a few minutes. This is the first time any of the cousins had seen the ocean so it was quite an experience for them. They were all pretty good sailors as very little sea sickness was in evidence.

The members of the Mehama Community church will meet in the basement of their new church next Sunday. They have been meeting at Mehama grade school all summer, but because of crowded quarters and the rough "school house hill", moving into the new church basement will be a relief as well as a historical moment.

Mr. and Mrs. Raymond Harner and daughter, Edna Mae, former residents of West Stayton, visited at the Bellin home Friday of last week. Their two

sons, Jerry and Elmer, spent part of the day at the Tex Kimsey home, between Mehama and Stayton. The Harner family is now living at Umatilla where they own and operate a restaurant. They were returning from a two week vacation and they expected to reach home Sunday.

Henry Holzfuss of Lyons, who works for Raymond Branch, hurt his back while at work Monday and will be unable to work for a time.

Mrs. Raymond Branch received word that Gerald Branch, who is in the air corps, has been hurt again, this time his hip and leg. No word has been received telling how he was hurt or how he is recuperating. However, the report said it wasn't too serious, just painful.

A surprise party was given Mrs. May Patton on August 8, by numerous friends and relatives. When company arrived at her home she asked them to stay for dinner but they persuaded her to a spot along the bank of the river where a picnic dinner was waiting. The tables were decorated with large sprays of glads and a main attraction was an enormous birthday cake. Mrs. Patton could do little but exclaim again and again at this wonderful and unexpected surprise. A very welcome guest was Mrs. Jake Begikum. Mrs. Patton's only granddaughter from Newfoundland. Attending were friends and relatives from Lacombe, Lebanon and Portland. Six great grandchildren were there, making the number of guests total over twenty.
