MEHAMA

By Janet Bellin
Mr. and Mrs. Harold Abbott were visitors at the Keith Philipps home this past week. They are residents of Mt. Vernon, Wash. Their daughter, Nadine, accompanied them as far as Salem, where she will stay and attend Willamette University. Mrs. Abbott is Mrs. Philipps' sister.

Louis M. Russell threw his shoulder out of place on September 8, while at work.

Mrs. Doug Barrows, formerly Lois White, was honored at a surprise baby shower, Sunday evening at the Cox home in Stayton. Many of her friends and former classmates were present to greet her and the "surprise" really was a surprise. She received many beautiful and useful gifts. Jane Cox of Stayton, and Almata Coffman of Mehama were co-hostesses. Refreshments were served as past, present and future happenings were discussed. Attending were Marilyn Nokolby, Gay Lesley, Sandra Davie, Shirley Wodtley, Dorothy Frank, Alice Johnson, Nancy Frye, Frances Peters and Jane Cox of Stayton, and Almata Coffman, Joyce Pemberton, Janet Bellin, and Lois Barrows, all of Mehama.

Building their own home near Mehama are Mr. and Mrs. Calvin Culvertson, formerly residents of Westport. Mrs. Culvertson is the daughter of Mr. and Mrs. Louis Russell of Mehama.

At the end of six months of organization work the Highway Lifesavers Committee of Oregon Citizens, Inc., on August 15 reported a citizens' state-wide movement well underway to reduce fatalities, injuries and property damage resulting from highway traffic accidents.

Come in and see . . . value check . . . and test drive a Ford today!

No doubt about it...
Ford's the one fine car in the low-price field!

Feature after feature . . . part after part . . .
Ford is as fine as the finest . . .
yet it's priced with the lowest.

No car ever built has won such enthusiastic and growing preference as the '53 Ford . . . and no wonder. For no other car with such a wealth of fine-car features costs so little as Ford.

Yes, Ford, with all its fine-car quality, is offered at a price that's easy to pay.

You can have a Ford with a V-8 engine—the same type of engine that powers America's most expensive cars—for hundreds less than many Six-cylinder

cars. And a Ford powered with the high-compression Mileage Maker Six costs even less.

Then, too, Ford's body is built like the best, with steel body panels of the same quality and thickness as in the most expensive cars.

Ford also proves that a car doesn't need to carry gas-thirsty extra weight to "gentle" you over the bumpiest roads! For Ford's smooth, level ride blots out the bumps . . . cuts front end road shock alone up to 80%!

Also, you can have your Ford V-8 with Master-Guide, the last word in power steering. Master-Guide cuts up to 75% of turning

effort yet it leaves you with the natural "feel" of steering on the straightaway.

There are many other fine-car features, too! Ford Full-Circle Visibility . . . foam-rubber cushioned seats front and rear on all models . . . finishes that are baked on over a complete rust-proofing treatment . . . to mention a few.

It takes all these features to make a fine car truly fine . . . worth more when you buy it . . . and in resale, too! A survey of used car lots proves that people are willing to pay a larger percentage of the original cost for year-old Fords than for any other used cars. No doubt about it, Ford's your best buy!

Worth more when you buy it . . . worth more when you sell it!

If you're interested in used cars, be sure to see our selections!
