All the classes in the elementary school saw the safety film "The Blasting Cap" last week. The picture teaches the students to recognize a blasting cap and to know what to do in case they find one.

Degrees Conferred at OES Meeting Here Monday Nite

Marilyn Chapter No. 145 O.E.S. held their regular meeting October 12, with Laurell Johnson, Worthy Matron and George Huffman, Worthy Patron, presiding.

Escorted and introduced was Ronald Gilson, member of the budget committee of the Grand Chapter of Oregon and Willa Huston, Worthy Matron of Marguerite chapter, of Lebanon.

Degrees were conferred upon Alice Thomas and Charles Thomas.

The Chapter room was beautifully decorated with autumn leaves and flowers by Celene Taylor and Betty Tinney.

The Worthy Matron announced that Irene McKinley, Worthy Grand Matron would be present at the November meeting which would start with a potluck at 6:30 p.m.

Invitations were extended to the following chapters for the November meeting: Trinity chapter, Salem; St. Mary's, Corvallis and Barzillia, Albany.

Other guests visiting were: Alice Walkup, Barzillia chapter, Albany; Julia Kemp, El Dorado chapter, El Dorado, Calif.; Hildegard Olson, Columbia chapter, The Dalles and Lora Mason, North Star, Fall River Mills, Calif.

Mabel Nelson, Nellie Ward, Addie French and Jacqueline Smith were on the refreshment committee for the evening.

Returned Missionary To Speak Here October 22

Mrs. Perry Hansen one of the last missionaries to return from China will be at the Presbyterian church the afternoon of Thursday, October 22.

Mrs. Hansen had been a visitor in Mill City about 20 years ago and was a popular speaker at that time. She was then Miss Irene Forsythe. Since that time she has spent much of her time in China. She was interned there during World War II, and after her release and leave at home, returned to China and was again imprisoned when the Communists took over that country.

During Mrs. Hansen's brief stay here she will speak at the church at 2 o'clock in the afternoon, which will be followed by a fellowship period in the recreation room.

All who are interested in hearing Mrs. Hansen are cordially invited to attend.

Mrs. Alice Huber of Lyons was a Monday visitor at the home of her sister, Mrs. James Swan.

A message to every prospective new car buyer:

You can have the most popular automatic transmission to be found in any low-priced car **Chevrolet's Famous 1953 Powerglide!***

Much fleetier, smoother, more economical! Thoroughly proved and improved through years of development and over a billion owner-driven miles! Production now running at new high levels due to record nationwide demand!

Much More Economical
Chevrolet's 1953 Powerglide Automatic Transmission*—teamed with the 115-h.p. "Blue-Flame" high-compression Valve-in-Head engine—brings you entirely new operating economy in city driving and on long trips.

Far Livelier Getaway
Put the selector lever in "DRIVE" position—step on the accelerator—and you move smoothly away from a standing start to legal traffic speed in seconds.

Important New Gas Savings
You'll never know how economical an automatic transmission can be until you try the 1953 Powerglide. Various improvements, including a

more efficient use of engine power, make it extremely thrifty.

Great New Passing Ability
The car picks up pace in traffic or on the highway at the touch of a toe, for the '53 Powerglide has an added automatic passing range.

Smoothest No-Shift Driving at Lowest Cost
Driving is almost incredibly easy, changes of speed almost unbelievably smooth... for this transmission gives simplest, smoothest, no-shift driving at lowest cost.

Safe Eyes-on-the-Road Driving
Powerglide permits you to concentrate on driving, with hands on the steering wheel and eyes on the road.

Full Engine Braking—Power on Hills
Powerglide's flexibility lets you cruise easily up any hill. And you enjoy constant engine braking power for maximum safety when descending.

Rock Out of Trouble
Powerglide's smooth power flow lets you rock out of sand, snow or mud whenever the need arises. "LOW" and "REVERSE" are side by side on the Powerglide quadrant, making the operation doubly easy.

Push-Proof Parking
Put the selector lever in "PARK" position when you leave the car, and a positive gear-type lock holds it in position until you return.

Time-Proved, Owner-Proved Dependability
Come in. Drive a Chevrolet with this finer, more popular automatic transmission—time-proved by hundreds of thousands of owners in over a billion miles of driving!

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

*Optional at extra cost. Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine available on "Two-Ten" and Bel Air models. Power Steering available on all models.
