East City Limits, Highway 222 Phone 6803

If it's wood, a McCulloch will cut it!

McCulloch chain saws are in the news. You can't beat them for high-speed logging, cutting cordwood, land clearing, and other timber work. The reason for the McCulloch's great popularity is simply this: the power's there... but the weight isn't! You don't need to take our word for it. Come in and see for yourself.
