Open the Door!

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

The only tragedy in being young is that you must depend on the common sense and farsightedness of adults.

For when you're young, even though your heart cries out for opportunity, there are doors to which your parents hold the key.

One of these is the door to Faith. A child wants to believe. He needs religious teaching. God has implanted in his tiny body a growing, hungry soul.

But millions of America's little ones are being barred from the Church, starved of spiritual nourishment by unthinking parents. They are chained to unbelief, condemned to moral immaturity by fathers and mothers who have lost their own faith, and have ceased to care.

Do you know these parents? Are you, perchance, one of them? Remember Who it was who said, "Suffer the little children to come unto me, and forbid them not." OPEN THE DOOR!
