LET US GIVE THANKS
Today, in the spirit of the first Thanksgiving, let us give thanks to the Creator for all the blessings we have received during the past year.
Let us give thanks that we are still a free country—that we have the right to live our lives as we see fit—that we can worship in the manner in which we choose—that our children can attend good schools—that each night we can rest without the fear of bombs driving us into the streets.
We, as Americans, truly have a great deal to be thankful for. Let us not forget to humbly acknowledge our debt to Divine Providence for all that we are and may hope to become. Like our forefathers, let us bow our heads in a prayer of gratitude to the Giver of every good and perfect gift.
