To have something to do at noon the pupils have been dancing in the auditorium. Sometimes they dance before school starts in the morning.

During the past week members of the Junior class have been practicing their play which they expect to give on Dec. 16. They have been meeting evenings at the Fay Bolstad home. Mrs. Bolstad is helping them with their lines. The play is a lively western comedy, "Desperate Ambrose."

Friday instead of having a student body meeting a picture was shown on Alaska.

The GAA had a meeting Monday in the auditorium during activity period. Girls from each class tried out for the rally squad. These girls were chosen: Frances Ward, freshman; Jackie Bickett, sophomore; Jo Ann Leach, junior and Regine Brewer, senior.

Why the big swing is to Ford!

More than a million buyers decided on Ford this year . . . because Ford's

"worth more when you buy it . . . returns more of its worth when you sell it!"

They like it in traffic!

They're swinging to Ford for good reason. Only Ford in its field offers you a choice of V-8 or Six, with the smooth, agile performance you need for getting around in today's kind of traffic. You get a choice of three great

drives . . . conventional, fuel-saving Overdrive or Fordomatic, the only automatic in Ford's field with an automatic intermediate gear for extra GO. You get the full visibility you want, too . . . the most in Ford's field.

They like it in the hills!

Both V-8 and Six give you hill-flattening GO on "regular," thanks to the Automatic Power Pilot. And Master-Guide power steering, available on all V-8's, makes turning up to 75% easier yet retains the natural "feel" of steering on the straightaway.

They like it for ride, for room, and for just plain good looks!

Front end road shock alone is reduced up to 80%! Ford's wide seats accommodate six, while the trunk is a whole suitcase bigger. And Ford's good looks speak for themselves.
