Dec. 31 Final Date to File for War Bonus

The final date for applying for the Oregon World War II veterans' bonus is December 31, the State Department of Veterans' Affairs warned this week.

George A. Jones, bonus supervisor, said applications must be postmarked before midnight of that date to be considered for payment. They should be addressed to the Bonus Division, Department of Veterans' Affairs, Salem, Oregon.

Applications also may be filed in person at the Portland office of the state veterans' department in the State Office building, S. W. Fifth and Columbia, or through county veterans' service officers.

Applications have been submitted recently to the bonus division at the rate of 50 a week, but this went up to more than 100 last week, indicating that considerable numbers of persons have still failed to apply.

Jones emphasized the fact that the bonus cannot be paid to veterans for their Korean service. The bonus act limits payment to World War II veterans of their survivors only.

The bonus pays \$10 for each full month of domestic duty and \$15 for each month of foreign or sea duty, to a maximum of \$600. The veteran must have been a bona fide Oregon resident for at least one year immediately prior to his service, he must have served for 90 days or more between September 16, 1940, and June 30, 1946, and have been honorably discharged.

The eligible survivor of a veteran who died in service or died of service incurred injuries following discharge is entitled to the \$600 maximum. If death following service was for other causes, the survivor may receive the amount the veteran would have been paid had he lived.

Survivors entitled in order are the unmarried widow of the deceased veteran, his children, or his parents.

BE A GOOD TOURIST HOST!

Rainbow Assembly Has Enjoyable Meet

"Friendship Night" was observed at the regular meeting of Marilyn Rainbow Assembly held at the lodge hall Wednesday evening, December 9. Stayton, Silverton and Albany Assemblies had been invited to be present, but none were able to attend due to school activities, inclement weather, and sickness among the officers.

The hall was beautifully decorated with garden scenes, artificial flowers and streamers of crepe paper. Escorted to honorary places in the East were Laurell Johnson, worthy matron of Marilyn Chapter, O. E. S., and O. K. Hirte, acting worshipful master of Mill City Lodge, A. F. & A. M.

The Rainbow girls put on a lovely degree with paper covered parasols for the honored guests, at the close of which a beautiful bouquet was presented to Mrs. Johnson, with both she and Mr. Hirte receiving a lovely plate with the emblems of their respective lodges on it in colors. The degree was under the direction of Mrs. Wm. Shuey, the Mother Advisor.

Program members, introduced by Jerry Hamblin, Worthy Advisor, included: Virginia Hollinbaugh, two piano selections; Barbara Podrabsky, who played several numbers on the accordion; and Penny Gould and Sherry Hansen, who gave a humorous pantomime, accompanied by the phonograph record of "How Much is That Doggie in the Window?"

At the close of the interesting meeting, attractive refreshments were served from a beautiful table in the dining room. Serving on the refreshment committee were Penny Gould, Sherry Hansen, Norma Downer, Frances Ward, Zeta Crosier and Barbara Podrabsky. The decorating committee was made up of Jan Ross, Camille Goble, Frances Johnson, Carol Cooke, Carol Andreassen and Jerry Hamblin. A large number of Master Masons and members of the Eastern Star attended the lovely affair. The girls drew names among the Masonic membership for their "secret dads."

Better Stop for School Bus No Matter Where You Are

Motorists regardless of where they are driving had better stop for a school bus as the result of the increasing number of states adopting laws similar to Oregon's requiring stops of motorists in either direction when encountering a stopped school bus, except on designed four lane highways.

There a few states without the law, Ray Conway, Manager of the Oregon State Motor Association announced, but the uniform vehicle code in this respect has been adopted by so many states that he is reminding the members of the Oregon Association not to take chances in any state.
