We are happy to report that John Estey now whas his arm out of the cast. Johnny doesn't feel like taking any healthy swings with it yet, it just feels darned good to have it out of the cast.

Sure as shooting when this time of the year rolls around, so do the three-day measles. Many school children are on the absentee list with the pesky things.

Mr. and Mrs. Gordon Brown entertained with a birthday party at their home March 4 honoring their twin daughters, Donna and Linda on their 6th birthday. Colorful balloons were used to decorate the rooms. A large candied birthday cake and ice cream was served to the guests. Attending

Spring can't be too far off in this area. While all of us enjoyed the wonderful sunshine last week, we have had to don rain clothes and boots this week so far, to keep dry from the torrential rains. But then its showers that make the flowers grow you know. Our feathered friends the robins are putting in their appearance again, and crocuses, tulips and daffodils are coming up like mad. So never fear, when the ants and bees stick their necks out, you will know spring has sprung for sure.

## Basketball....

Carey fouled and was replaced by setting the final score at 49-41.

Elton Gregory with 18 points, was high scorer and Jack Melting was second for the victors with 13 points. High for the Cardinals was Lyn Crouser with 17 counters. A good example of Mill City's defense was Corbett's Jack Herin who scored 30 points against Jefferson. Elton Gregory held him to 6 points Saturday night. Corbett's cool, organized brand of basketball was visibly ruffled in the final quarter as they saw their chance for a state tourney berth fading out in the face of the red-hot Timberwolves.

Mill City 49	41	Corbett
Ward 3	F	17 Crouser
Gregory 18	F	6 Herrin
Carey 13	C	15 Berny
Melting	G	2 Hunter
Crook 4	G	1 Vockert

Subs scoring: Crosier 3 for Mill City. Officials: Nelson and Vander-vert.

In the preliminary Jefferson edged Gervais 50-49 in one over-time, for third place. After the final game trophies were handed out and Gervais won the sportsmanship trophy.

Crouser, Dick Crook, MC guard, made a free throw to raise the score to 37-29. Barney made a Corbett free throw, Crosier made one for Mill City, Hunter marked up a point for Corbett and Crouser made the score 38-33 with a lay-in. Crook and Gregory made Mill City free throws, Crouser sank a gifty, Crook dunked a close jump shot, and Crouser scored twice, a long one and a lay-in, making it 42-38. Melting dumped in a free throw and with a little more than three minutes to go Mill City started to stall. However, Corbett got the ball and Barney scored making Mill City's lead 43-40. Crosier's lay-in and two successful trips to the charity line by Melting, netted all four free throws drowned Corbett's faintest hopes 49-40, with 15 seconds to go. Barney made a free throw

FOUR THOUSAND YEARS ago, practitioners of the healing arts were impelled to organize in order to shield the public from the impostures of quacks and charlatans. Similar organizations have been carried along the current of history to the present day. Today the great national associations of physicians, pharmacists, dentists, and nurses work separately and harmoniously to keep educational standards high, the impostors out.
