Why value-wise buyers are swinging to **Ford!**

Ford's the only low-priced car with all these "Worth More" features

- Recognized leadership in styling**
You can pay more but you'll never find a car that's more "at home" wherever you may drive it. For the smart new '54 Ford is as modern as tomorrow with the crisp, commanding lines of today's style leader. And it's just as smart inside! The sparkling new decorator-designed interiors have colorful new upholstery fabrics and harmonizing trim that spell quality wherever you look.
- Choice of most modern engines**
Ford and Ford alone, in the low-price field, offers you a choice of V-8 or Six... the brilliant new 130-h.p. Y-block V-8 or the flashing new 115-h.p. I-block Six. Both Ford engines have rigid, extra-deep blocks for smoothest, quietest operation and extra-long life... plus the savings and "GO" of modern, high-compression, short-stroke, low-friction design.
- Ball-Joint Front Suspension**
For the first time in any low-priced car, you get the smoother riding and easier handling of Ball-Joint Front Suspension—an advance you'd expect to find only in the costliest cars.
- Choice of 5 power assists... Including Fordomatic**
Ford and Ford alone, in the low-price field offers power on all four windows... a 4-way power seat which adjusts up and down as well as forward and back. Power steering, power brakes and versatile Fordomatic Drive are also available—and they make your fine Ford even more fun to drive.
- Choice of 28 new models**
With fourteen stunning body styles available with either of Ford's new engines, Ford offers a car to suit every taste and need. In fact, for '54, Ford offers the widest selection of models in the entire industry!
- Top value at resale**
Used car prices show that in recent years Ford has consistently returned a higher proportion of its original cost at resale than any other car. And for 1954, with all its advanced new features, Ford is worth even more when you buy it... and it stands to reason it should be worth more when you sell it, too.

We cordially invite you to Test Drive the 1954 **Ford**
