

## A Birthday Cake for a Real American Organization

The American Legion will celebrate the 35th anniversary of its birth March 15 to 17, 1954. Born in Paris, France, in 1919. The American Legion is the world's greatest veterans organization with close to 3,000,000 members and 17,450 Posts throughout the globe.

The American Legion has earned the right to celebrate its birthday. It is a right that has been won by veterans of three wars united together to continue to serve God and Country. We know the Legion locally for its good works and community service. Nationally it stands foursquare for positive Americanism—greater National Security—rehabilitation of veterans, and a square deal for every child.

Veterans of World War I, World War II, and the Korean War are invited to join Post 159 of Mill City, Oregon to take an active part in this great organization to help preserve our American Way of Life.
