"I ain't very much, but . . ."

IN THE PLAY *Green Pastures*, the character Noah observed, "I ain't very much, but I've all I got." This is simple but eloquent reasoning.

The realization of responsibility to yourself and to others to be cheerful, sympathetic, and helpful is the basis of a sound personality. Ill and disgruntled people are a burden to all. Take good care of yourself. Do not forget that both your family physician and your pharmacist are on your side to help you stay well and happy. All you have to do is ask for their help. When ill, see your physician. We are fully equipped to fill your prescriptions and furnish the needed sickroom supplies.
