## Chemawa Wins from Mill City 9

By Richard Anderson

Mill City lost to the Chemawa Indians Monday afternoon in a Marion B league baseball game here. The loss gave Mill City a 1-1 season record. The big inning was the third where Chemawa scored four runs on three hits off Elton Gregory. Mill City rallied in the fifth and six innings with four hits and three runs in the fifth and two hits, two runs in the sixth, but this was not enough to overcome Chemawa's lead and Mill City lost 9-7.

In the top half of the first inning Chemawa's only action was a single by the first batter, Coburn. Mill City managed to get one on in the bottom half as Dick Crook reached first on a bad throw by Chemawa pitcher, Pat Morin. That was as far as it went however, as the next batter struck out and the next was thrown out.

Chemawa did nothing in the second inning, but Mill City's first batter, Lloyd Ross singled, his first hit of the game, one of which was a double. Gregory put him on second with a neat sacrifice bunt down the first base line. Then Phil Carey doubled to score Ross and Don Ellingson scored Carey with another double. That was the extent of it, though as the next two batters struck out.

In the top of the third, Chemawa's first batter, Payes, walked. Then Pat Morin singled. Coburn scored Payes with another single and Morin scored on a wild pitch as the next batter struck out. Then Art Lane walked. The next batter was thrown out at first. Lane stole home just before Switzler blasted the third and last Chemawa hit of the inning, only to be thrown out when he tried to steal second.

Mill City got two hits in a row as both Jack Melting and Al Ward singled. No runs were scored though.

The fourth inning was another big one for Chemawa, as with two away Payes walked, Morin doubled, and Coburn walked to load the bases. Then George Umtruck smashed a triple past the center-fielder driving in three runs. The next batter was thrown out at first to retire the side.

Maurie Bassett got on by a first baseman's fumble and Dick Crook got a hit but no runs were scored.

In the fifth inning Dick Crook replaced Gregory on the mound and struck out the first two batters while the third flew out to Delmar Syverson, left fielder, who had to dive for it, but after rolling over several times, came up with the ball, to retire the side.

This was Mill City's big inning. Ward singled, Ross singled, then Dustin singled, scoring Ward. Carey walked, and the next batter struck out. Ross stole home and Dustin came in on a wild throw. Bassett hit a single and Carey was thrown out at third. The next batter struck out to end the inning with the score 7-5 for Chemawa.

In the sixth, Thorpe started Chemawa off with a single. The next batter walked but was thrown out as the next batter, Morin reached first on a fielder's choice. Thorpe ran to third and came home when the third baseman fumbled. Morin stole second and then reached third as the next batter knocked one to the first baseman for the second out. Crook hit the next batter, sending him to first. Morin stole home before Chemawa's next batter flew out to Delmar Syverson in left field.

Morin hit Mill City's first batter, Crook, then Jack Melting singled. The next batter flew out. Then Lloyd Ross hit his double scoring Crook. The next batter was thrown out at first but got an RBI as Melting scored. The next batter struck out to end the inning.

There were no hits or runs in the seventh inning.

Chemawa: 7 hits, 9 runs, 2 errors. Mill City: 12 hits, 7 runs, 2 errors. Chemawa: Pat Morin, Art Lane, Mill City: Elton Gregory, Dick Crook 5, Al Ward.

Winning pitcher, Morin, loser, Gregory.
