# MILL CITY A CITY BEAUTIFUL

Official Clean-up Week

**MAY 3 to 8**

**Let's Start Now!**

A little elbow grease on the end of a shovel or a lawn mower, a little paint and a few boards can work wonders in changing the appearance of our city.

*Won't You  
Help Us*

This appeal for assistance and civic pride is made by the following progressive Mill City businessmen, who are working together to make Mill City, the the city of hospitality, a better place in which to live.
