From where I sit... by Joe Marsh

So They Stopped Baiting Each Other

If you want to hear a real hassle, listen to Cob James and Whitey Baker on trout fishing sometime. You'd think it was more important than anything.

Cob favors dry flies. Whitey pooh-poohs anything but wet flies. Cob swears by a Fan-Wing Royal Coachman; Whitey won't hear of anything but Silver Doctor. And so it goes—they can't even get together on steel rods versus bamboo rods.

But on Saturday, each got back from Fox Creek with a catch that couldn't have differed by more

than a couple of ounces! Then over a friendly glass of beer, they allowed as how maybe they were both right... which is how so many arguments should end.

From where I sit, life would be a whole lot pleasanter if we all respected one another's opinions—whether about trout flies, or having a glass of beer, or voting. After all, a person has a right to follow his own line of thinking.

KILL EVERY RAT with Warfarat

Dr. Hess Product
Containing Warfarin

Use Dr. Hess Warfarat according to directions and you can kill every rat on your farm. It kills three kinds of rats—also mice. It's a safe, sure killer.

Easy to use. It's a prepared bait. No mixing or prebaiting. Rats do not become bait shy nor develop tolerance. They keep on eating it till the last rat bites the dust.
