That this isn't Mill City's year in track was shown for the second time as the Timberwolf trackmen came out on the short end of a three-way meet with Gervais and St. Paul. The meet was at Gervais last Wednesday, April 14. Gervais almost made a clean sweep by winning everything except the high jump, which was taken by Sam Smith of St. Paul with a 4 foot, 11 inch leap. Gervais totaled 108½ points, St. Paul 25, Mill City 18½.

Make our city a better place in which to live
when the ounce of prevention fails

WARNING AGAINST ACCIDENTS in the home and on the highways is old stuff to most of us. Many industries have made real progress in accident prevention, but our homes continue to produce minor and major injuries on an ever-increasing scale.

In spite of every precaution, accidents will occur. When the "ounce of prevention" fails, it is wise to have "the pound of cure" ready and at hand. See that your medicine cabinet is amply stocked with standard first-aid materials. Keep a first-aid kit in the pocket of your car. We shall be pleased to help you select the essential items from our complete stock.
