Liquor, Amusement Tax Melon Divided

Apportionments, involving liquor privilege tax moneys and amusement device tax moneys, both for the quarter ending March 31, 1954, were announced recently.

The liquor privilege tax apportionment aggregated \$190,000. These funds were distributed on the basis of 75 per cent to the counties and 25 per cent to the general fund of the state. The law provides for shares to pensions, mother's aid and direct relief to the indigent.

Multnomah, with the largest population, received \$44,167.63. Lane county received \$11,781.11, Marion County \$9,497.97, Jackson County \$5,480.48, Douglas county \$5,019.46, Linn county \$5,175.24, Washington county \$5,738.91.

Other counties received less than \$5000. The amusement device tax apportionment totaled \$11,070.89. This amount payable to the counties is based on amounts expended for old age assistance during the year ending June 30, 1953.

Multnomah with an apportionment of \$1835.42, was the only county in the state receiving in excess of \$1000.

Mill City's share amounted to \$623.07, Detroit \$95.27 and Idanha, \$153.68.

LANDING THE BIG ONE

What a thrill to land that old "granddaddy" of all fish... to feel his vicious tug at the line... to see his silver side gleaming in the sun as he rolls and breaks the surface. Then the big moment... out of the water with a final great splash and into the landing net. He is yours!

The catch of a lifetime. You tell about it a hundred times over—about your new fly-rod, that special lure, the deep hole in the lake, the big rock where "granddad" used to lie. But somehow you can't put it all in words. It was your own personal experience with old "granddad."

In a way, religion and fishing are alike. You can't put religion all in words either. It's not just rules for living, or doctrines, or spiritual values. Religion is a personal experience with God. It's your struggle with God until you surrender your rebellious spirit and become His.

Come to church. There you will learn to know and love God. It's the one great experience of a lifetime—an eternal lifetime.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
