Timberwolves Make Good Showing In Baseball Games

MILL CITY DEBEATS SCIO IN BASEBALL GAME

By Richard Anderson
The Mill City Timberwolves added Scio to their list of victories making a total of three wins and two losses. Elton Gregory, receiving plenty of help from the field, pitched a two-hitter, striking out eight and walking four. Losing pitcher, Bob Slover, yielded seven hits and seven walks, and struck out seven.
The first inning was three up, three down for both sides. In the outset of the second, Gregory walked Janis, who then advanced to second and third on wild pitches. On the second batter's third strike, the catcher missed the ball, and, on the throw to first for the put-out, Janis scored. A pop-up and a throwout retired the side. Mill City failed to score in the bottom half, making it 1-0 for Scio.

In the third, Scio went out with a man on second. Delmer Syverson walked, as Mill City's first batter, and Don Ellingson sent him to second with a perfect sacrifice bunt. No runs were scored, however, as a fly ball, a walk and a strike-out ended the inning.

With one away in the fourth, Janis singled for Scio's first hit, and once again he reached third on two wild pitches. He was cutoff at home after a walk and a strike-out, on an attempted squeeze play.

Mill City took over in the fourth, with the help of a couple of throws to third base, which were nice except that the third baseman wasn't there. Al Ward singled and stole second as the second batter fanned. Then he tried for third. The catcher threw the ball, no baseman, and Ward came in as the ball bounded down the left field fowl line. Phil Carey singled and took second as Maurie Bassett was hit by a pitched ball. As Slover was in the process of walking the next batter with four straight balls, Carey took for the third. Another throw to third by the catcher found no baseman

and bounced for the high country as Carey crossed the plate, and Bassett moved to third. Don Ellingson squeezed Bassett in with his second perfect sacrifice bunt of the evening in as many trips to the plate. The next man was thrown out to retire the side. Mill City had the big end of the 3-1 score.

In the fifth, Bob Slover walked, a strike-out followed, and then Thomas was hit by a pitch. After the next Scio batter was thrown out at first, Tom Stewart, a former Mill City player, blasted a two-run double into center field. The next batter was thrown out at first, retiring the side with a 3-3 score.

Mill City's first batter, Dick Crook, walked. Then Lloyd Ross knocked out to second baseman, who assisted the shortstop, putting Crook out. The shortstop, trying for a double play, threw a wild one to first. Ross came on to second where another attempt to cut him off went deep into center field, allowing Ross to score. That was the winning run; Mill City didn't have to bat in the seventh as Scio managed to get only one man on in the final two innings, a walk. Six other batters walked up to the plate and back to the dugout with that tying run only a pleasant thought.

Mill City's next scheduled game is a Marion B leaguer at Jefferson Friday, April 30 after that on the following Friday, the Timberwolves play their last league game, with St. Paul, under the lights, starting at 8 o'clock.

Preceding Mill City's 4-3 victory over Scio, at Mill City, April 23, there was a JV game. Scio's junior varsity whipped the Mill City team 5-1 in five innings. Five hits told the story of Mill City went hitless.

Varsity batteries:
Mill City: Elton Gregory, Al Ward.
Scio: Bob Slover, Jim Dain.

MILL CITY WINS FROM SUBLIMITY SCORE 9-3
By Richard Anderson
The Mill City Timberwolves won 9-3 over Sublimity to raise their record to four wins and two losses. The game was played at Sublimity, Monday. Dick Crook pitched the win, allowing six hits, four walks and striking out seven.

The big inning was the first. Mill City's first batter, Jack Melting, bunted to the pitcher, Parrish. Parrish's throw to first was fumbled, so Melting got on. He advanced on a wild pitch and stole third. Dick Crook walked. Then Lloyd Ross tripled for two runs. Al Ward's grounder to first base scored Ross as Ward was put out. The next batter fanned. Terry

Democratic Candidate To Appear Here Friday Night

Charles Porter, democratic candidate for Representative in Congress will be here at the fire hall Friday, April 30 at 8 o'clock. County candidates will also be present, and a speaker on the farm program.
This word was received here Monday from W. W. Abraham, Democratic county chairman of Shedd.

Friendship Circle Meets At Tuers Home Tuesday

Mrs. Arlo Tuers, president of the Friendship circle of the Presbyterian church, was hostess to the group at her home Tuesday evening. Minutes were read by the secretary, Mrs. DeLos Hoeye, who also read a letter from Church World Service thanking the women for their donation which was used for the sewing machine project for Korean widows.
World service chairman, Jeanette Andersen, is assembling a layette from among the members to be sent to a hospital at Kayenta, Arizona. Devotions were read by Sigrun Grimstad. Jeanette Andersen was in charge of the program, the theme being "Missionary Work of the Presbyterian church among Spanish-Americans." Assisting with the program were Helen Klewer, Marian Pescheck, Sigrun Grimstad, Marion Todd, Virginia Hoeye, and Edythe Means. Scriptures were read by Bernice Gordon. Refreshments were served following the meeting.

Grade School Horseshoe Pitchers Still Winners

In horseshoe games played at the Mari-Linn school last Friday, the Mill City grade school lost only two out of 16 games. Last week, in the encounter with Scio here, the local boys won seven straight games.
Taking part Friday were Louis Morgan, Lahny Podrabsky and Tommy Fenel, who won all four of their games; James Williams and Donald Cree, who each won one and lost one. Representing Mari-Linn were Earl McWhirk, Mike Cruson, Ray Aronson, and Darrell Mansveld.

Mill City May Have Driver Training Project For High School Students

Mill City is beginning the organization of a driver training project for high school students. Several meetings have been held and Lee Knowles and Police Chief Meador are aiding in getting the project started.
This is a worthy undertaking and should have the support of all parents in the city. More details will be given in The Enterprise next week.

Mill City Tavern Wins Canyon Shuffleboard Crown

Byron's Mill City Tavern defeated Meander Inn in the playoff of the tie for championship of the Santiam Canyon shuffleboard league. Meander Inn won the game Friday night on their own board by 18 points, and Mill City Tavern won on their home board by 20 points, thus breaking the tie. The final point score was 257 to 259.

Mill City Takes Second In Chemawa Track Meet

By Richard Anderson
The Mill City track team came out second to Chemawa in a three-way track meet here Wednesday, April 22. The third team was St. Paul. Andy Joseph personally accounted for 30 of Chemawa's 72½ points. First: low hurdle, discus, high jump and pole-vault; second: high hurdles, javelin, and broad jump; fourth: 220-yard dash.
For Mill City, Elton Gregory made 25½ of the 55 points by winning the shot put and broad jump, besides placing third in the 220 and running on the relay team, which placed second. St. Paul scored 26½ points.

Now Is Good Time To Control Broadleaf Weeds

Now is a good time to control the broadleaf weeds in lawns with 2,4-D, says O. E. Mikesell, county extension agent.

The killer is available as a liquid or in handy shakers containing a dust mixture. Some dealers have small pressure sprayers that they loan or rent to their customers.

Mikesell says there isn't much danger to susceptible plants and shrubs around the home if certain precautions are taken. The agent recommends that contact can be done on a quiet day, that spray pressures be kept low in order to insure rather large droplets and that the manufacturers' recommendations on rates be followed. A follow-up spray later in the season will be necessary for heavily infested lawns.

Warming Fires in Woods Illegal Says Forestry Dept.

Warming fires in the woods are a serious threat to the security of the timberlands, the state forestry department cautioned Wednesday.

James Walker, assistant state forester, advised that warming fires are illegal when started in the forest areas. He said the first fire of the season had already been checked up to this cause, with three acres charred in the central Oregon district near Prineville. He also cautioned against debris burning without first getting a permit from the local warden or ranger. After the closed season started April 1, all debris burning must be covered by a written permit from a local forest officer.

CANCER STILL INCREASING

The annual death rate from cancer in the U. S. since 1900 has increased from 64 to 145 per hundred thousand population. The American Cancer Society attributes this increase mostly to a longer potential life span which results in larger population in the older age bracket where cancer is most prevalent.
