**Marine Pfc. Robert Miller  
Training at Camp Pendleton**

Marine Pfc Robert A. Miller, son  
of Ben H. Miller of Rt. 1, Lyons,  
is undergoing four weeks of individual  
combat training at the Marine Corps  
training base at Camp Pendleton,  
California.

The combat training is normally  
given to all Marines upon completion  
of recruit training before they are  
assigned to a duty station or school  
and also to men scheduled for over-  
seas duty.

The trainees learn that all Marines  
are basically infantrymen whether  
they serve as cooks, typists, truck  
drivers, or with an aviation unit.

The course of instruction includes  
the latest infantry tactics, advanced  
schooling on weapons, first aid, de-  
moltion, and field fortifications.

**Fred Remington Seeks  
Job As Assessor**

J. F. (Fred) Remington is a native-  
born Salemite. He is 44 years of  
age, married and has two daughters  
attending the Salem schools. Mr.  
Remington has made his home in  
Salem most of his life, being edu-  
cated in the Salem schools and in  
Willamette University. Mr. and Mrs.

Remington own their home at 2533  
Trade Street, Salem, Oregon.

His past employment has always  
been in and around Salem, the Shell  
Oil Company, the State Division of  
Audits as an auditor and present-  
ly for the Marion County School  
office.

Mr. Remington is a World War II  
Veteran serving most of his duties  
overseas.

His purpose in seeking this position  
is to further his desire to render  
public service. He believes the office  
of the Marion County Assessor is one  
of the most important in the County  
Government and it's efficient opera-  
tion requires constant study and re-  
search to the end that all property  
is equally and fairly appraised.

He pledges fair and unbiased treat-  
ment to all regardless of race, color  
creed or politics.

His qualifications are as follows:  
Age 44 years, in good health.  
Formerly with the state as an  
auditor.

During the past six years with the  
Marion County School Office work-  
ing with school budgets, school val-  
uations, bond issues, and their re-  
lationship with the Tax Rolls.

World War II Veteran.

**Linn County Health Dept.  
Issues Warning on Lindane**

Lindane insecticide vaporizers in-  
tended by manufacturers for restau-  
rant and home use have been on the  
market for some time. The U. S. Pub-  
lic Health Service and the Food and  
Drug administration report that the  
long-range effects of insecticide vap-  
ors on the human body are unknown.  
For this reason they believe that  
caution is indicated regarding long  
continued exposure to the vaporized  
insecticides. They state that lindane  
vaporizers should not be used in  
areas where food is processed or  
stored and that the public should be  
cautioned about the dangers of house-  
hold application.

The three recent deaths of West  
Coast children from exposure to or-  
ganic insecticides emphasizes the need  
for great care in handling these ma-  
terials, says the Linn County Health  
department. Those who use these in-  
secticides are urged to read the labels  
on the containers and to follow the  
instructions for their use. The protec-  
tion of children against accidental ex-  
posure is obviously of great impor-  
tance.
