### Douglas R. Yeater Seeks Re-Election to State Senate

Douglas R. Yeater, through past civic and legislative experience, is well qualified for re-election to the Oregon State Senate. He is the only candidate running for the Senate with both House and Senate legislative experience, having served two sessions in the House of Representatives and also two sessions as Senator. During the 1953 session he served as chairman of the important State and Federal Affairs committee, as vice-chairman of Veterans Affairs, and was a member of Commerce and Utilities, Local Government, and Natural Resources.

He was instrumental and helpful in the defeat of the bill which would have removed a section of the state constitution requiring all state institutions to be built in Marion County. Had this measure passed, state institutions could be built in any section of the state, de-centralizing administration and resulting in increased costs.

He assisted in increasing the amounts to be loaned Veterans for use in purchasing homes and farms, and promoted the bill extending the deadline date for the payment of bonuses to Veterans.

# MOTHER vs. INFECTION

**THE CHURCH FOR ALL . . .  
ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Sunday	Book	Chapter	Verses
Monday	Matthew	5	21-30
Tuesday	Matthew	13	24-33
Wednesday	Luke	10	1-12
Thursday	1 Corinthians	5	1-4
Friday	Psalms	34	1-11
Saturday	Psalms	34	12-22

Maybe most of those cuts and scratches would heal without any medicine. But who can tell when a simple scratch is going to develop into a serious infection?

Mother is alert to every possibility of danger for her children. Guarding them against infection is part of her daily responsibility.

Incidentally, that accounts for Mother's constant concern for her children's religious training. She knows that there are "infections" which destroy our moral and spiritual well-being.

Every Sunday, with her husband and her children, you'll find Mother in Church. For the Church is one of the few things that Mother considers even more essential to the well-being of her family than that bottle of antiseptic in the medicine closet.
