## Vote 7 YES

BECAUSE IT WILL—

- 1—Save Oregon's salmon from complete destruction, in coastal streams. Catches are now only about one-third of what they were in the 1930's.
- 2—SAVE some of YOUR TAX MONEY now being spent to maintain commercial fish hatcheries, etc.
- 3—NOT affect COLUMBIA RIVER FISHING.
- 4—Concern "less than 300" part-time coastal stream commercial fishermen. By law they can only fish approximately 3 months each year.
- 5—WITHOUT COST TO THE TAXPAYER, build up the salmon runs in all coast streams as it is doing in the Rogue, which has been closed since 1934
- 6—Provide more MULTI-MILLION DOLLAR coastal tourist attractions, like the Rogue—now officially estimated to have more than \$3-Million tourist sportsmen business investment doing an annual volume of \$13-Million. The same history is being repeated in the Umpqua, closed since 1946. It can help relieve your tax burden, too!
- 7—Bring more tourists and sports fishermen to catch the great fighting salmon. These salmon are not lost as a food source. They are all eaten.
- 8—Affect only about 8% of the present total commercial salmon catch, and it should not increase the cost of salmon on the market.
- 9—INSURE OREGON of a PREPETUAL RESOURCE OF TREMENDOUS VALUE. SUPPORT WITH CONFIDENCE—SAVE OREGON'S SALMON in the 7 streams not now closed and protected—NEHALEM, YAQUINA, SILETZ, ALSEA, COQUILLE, TILLAMOOK, AND SIUSLAW.

## Mill City Hi-Lites

By Jackie Bickett

These Hi-Lites will be for to weeks since there were only three days of school last week.

We had election of GAA officers. President, Carol Andreassen; Vice President, Jan Ross; Secretary, Shirley Moore; Treasurer, Zita Crosier; Sgts. at Arms, Roberta Loucks and Evelyn Taylor, and Heads of Sports, Rosalie Bassett, Frances Ward, Ellen Shelton and Betty Perry.

Mrs. Todd taught Mr. Lowery's classes for two days. The students wish to express their thanks for a grand job.

Student council held a meeting Oct. 6 at 8 p.m. Discussed was the gathering of clothes and furniture for the auction. The town was divided into five sections to cover. The Student Council wishes to thank Don Jenkins and the Mill City street department for the use of the pickups. Mr. Means said the students could be excused from classes to go and ask for items. Discussed was the possibility of buying an automatic corn popper and hot dog outfit. A motion was made and seconded to buy these items since they would be a great help at the ball games.

The Rally Thursday night started at 7. The Chief of Police led the procession most of the way. Ralph Jull had the speaker in his car. In the back of Mr. Martin's pickup was an old barrel used for a noisy maker. Roberta and Willa Loucks, and Virginia Bilyeu had the drums and cymbals. The Fire department started the fire near the gym. After the rally everyone went home so tired.

Friday, October 8 was our first

home game on our new field. We had a large turnout. The Timberwolves tied with the Saints 6 to 6. After the game a dance by sponsored by the seniors. It was held in the auditorium. Everyone was in good mood since there was to be no school Monday and Tuesday. Wednesday morning came too soon for us and the teachers. Most of the teachers gave us encouraging thoughts for the next day. Exams. Boy, the moans and groans could be really heard.

In Mr. Lowery's U.S. History class there are some troublesome times. Every Friday the students are to bring current events for the week. Usually one or two students bring the events. Mr. Lowery is just about to give up. Oh, us forgetful Juniors.

Open House last Wednesday night turned out a great success. The third period Home Ec class served cookies, punch and coffee. Our new gym was the center of attraction.

Friday morning the Student Body had a pep assembly. The yell and song leaders took over. This is the second one we had this year and the students really do good. The football players were dismissed from school at 11:15 and the students at 12. All those who had private cars could go, but the unlucky ones stayed at school.

Hurrah for the team, they won! Lions 12, Timberwolves 13. Our next game is at Monroe Friday. The students will be dismissed for the game.

Wednesday the students receive their report cards. The teachers are having quite a time getting in the grades. Everyone is rushing up to ask what grade am I getting etc.

Tuesday for some odd reason, half the boys weren't in school. I don't think the reason was because the season opened.
