Nearly 16 centuries ago, a man named Augustine lived in a Roman colony in Africa. He was vain, greedy, lustful—in fact, few men have been less exemplary. Then, when in his early thirties, he began to be increasingly dissatisfied with his life.

One day, feeling particularly miserable, he went into his garden and wept. While weeping, he heard, from a neighboring house, the voice of a child saying again and again, "Take up and read. Take up and read."

Struck by these words, Augustine went to his room, opened his Bible, and read. And when he had finished reading the turning point in his life had been reached and passed and he was a man transformed.

Through the centuries men and women have gone to the Bible seeking, and have come away with their answer. For in no other book is there such truth, wisdom, and promise. That is why the American Bible Society has been at work for more than a century, bringing the Bible to millions of persons in more than 60 countries, translating it into hundreds of languages.

The Bible is everywhere, yours for the asking. Take it up—and read.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
