Controlled Deer Hunts To Begin

Controlled deer seasons in several areas of eastern Oregon will get under way in December, the Oregon State Game Commission reminded permit holders today.

Hunters who drew \$5.00 permits for the Alfalfa and Newbridge controlled areas will be allowed to take one antlerless deer from December 3 through December 31.

From December 10 through December 14 permit holders will be allowed one antlerless deer in the Northside John Day, Lookout Mountain, and Pleasant Ridge areas.

All permits for the above named hunts have been issued with the exception of Lookout Mountain area where a few of the \$5.00 tags are still available. The remaining tags will be issued from the game commission's Portland office on a first come, first serve basis.

The only hunts remaining for persons with unused deer tags are the Polk county and Cherry Grove areas in the Willamette valley. These two extended seasons will run for two more weekends during December 10, 11, and 17 and 18. Hunters with unused deer tags will be allowed to take one deer of either sex.

All controlled and extended seasons were set up to harvest animals that were doing extensive damage to agricultural crops or to harvest surplus animals on overbrowsed deer ranges.

Hunters are urged to refer to the game synopsis for the boundary lines of the extended deer season areas.

MILL CITY HI-LITES

This week started the basketball season. After winning at the jamboree, we won from Gervais Saturday night. After the game the junior class sponsored a cake walk and dance. Everyone had loads of fun.

Wednesday, November 30, a Student Council meeting was held. The council decided to get band pins this year instead of letters. A committee was appointed to plan the Christmas program, scheduled for December 23.

A pep assembly was held Friday in the gym. The student body would like to ask the spectators to cut down on booing and jeering at all basketball games. The Pep Club would like to win a trophy for cheerleading. This is the only chance the girls have to win awards, so would you please try to be a little bit better sports. It would be greatly appreciated.
