## Our Farm Organization Is a Democracy, Too

Yes, Uncle Sam, our farmer cooperatives and our government have a lot in common. We're both working for America. Our farmer cooperatives are founded on the principle of one man one vote. That's what you believe in and practice, too.

Our Pilgrim Fathers were the first to practice farmer cooperation. When they came to this country they worked together to build their homes, to plant their crops and to protect themselves from their enemies. Through our farmer cooperatives we're doing the same thing today. Our enemies are no longer savages, but we still have to lick the economic problems, production difficulties, unfair charges against us sometimes, and—like you—the threat of "isms" that, if left alone could destroy our whole system of free competitive enterprise.

It was a group of farmers who fired the shot heard round the world in Revolutionary Days, and we'll keep working—and firing, too, if necessary—to protect you and our homes and the American way of life.

Since Pilgrim Days, farmers have continued to work together in planting their crops, marketing their products and purchasing their supplies. Our country is big now, and we have to do our marketing and purchasing through our cooperative associations. But they're governed by the one man one vote principle and they're operated for the benefit of the folks who eat the food as well as the ones who grow it. Yes, Uncle Sam, we're proud to be a part... and to do our part.

## Hunting and Fishing License Available For Next Year

Fishermen—hunters—it is later than you think. Your 1955 licenses are valid only through the month of December.

According to the Oregon State Game Commission, your 1956 hunting and fishing licenses are now available and can be purchased at all license agencies throughout the state and at the game commission regional offices and the Portland headquarters. All persons are required to have the new licenses if they intend to be out hunting or fishing on January 1.

Resident license fees remain the

same as last year, \$4.00 for a fishing license; \$4.00 for a hunting license, \$7.00 for a combination hunting and fishing license. Juvenile hunting and/or fishing license remain at \$2 for persons from 14 to 17 years of age, inclusive.

The only change in license fees will be in the nonresident fishing license where the fee is reduced to \$10 for the season and a \$1.00 daily salmon permit for persons who do not possess a regular fishing license.

In addition to the license fees prescribed by law, license agents are to charge 25 cents for each license of \$5.00 or more and 10 cents for each license less than \$5.00 to help defray their time and expense in handling hunting and fishing licenses.

Waterfowl hunters are reminded that the 1955 duck stamp is valid until June 30, 1956.

**INTO THE DULL ROUTINE**  
There was little excitement in a shepherd's life. Long, uneventful days beneath the hot sun on a grassy hillside. Long, lonely nights, still and shadowy as the moon rode slowly among the clouds. All the monotony of a million lives today.  
But into the dull routine of a shepherd's life came the vision that has captivated the imagination of man for two thousand years. An angelic voice saying, "Fear not..." A heavenly host singing, "Glory to God... and peace..." The startling proclamation of the Savior's birth!  
The message still comes with brightness and joy to all whose lot it is to labor, to endure, to wait. And the Church, preaching the Truth of the One born that night in Bethlehem, calls men from the drabness of worldly pursuits to see this Thing which has come to pass, which the Lord made known unto a band of bored shepherds centuries ago.

**THE CHURCH FOR ALL... ALL FOR THE CHURCH**  
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
