Good Representation At Gates School Open House Monday Night

GATES—A good representation of District 21-J patrons attended the open house of the new Gates elementary school Monday night. Each room was open for inspection with samples of the children's work on display. The fourth grade passed out copies of their first newspaper. Much interest was shown in the bulletin board, showing pictures of the old school building and many of the people who had attended school here in the past. Audio-visual equipment was on display in the music room.

A short business meeting of the PTA was held, preceding the open house, at which time the date for the bingo and card party was announced for Saturday night, January 28. This will be held in the Gates high school.

Coffee and cookies were served during the evening by the refreshment committee which consisted of Mrs. Crossler, Mrs. Paul, Mrs. McCluskey, Mrs. Haywood, and Mrs. Frost. They were assisted by Jessie Capps, Ellen Chance, Janet Glunz, and May Haywood.

Speaks softly and
packs a powerful wallop!

THE BEL AIR SPORT COUPE—one of 19 high-priced-looking Chevrolets, all with Body by Fisher.

Soft-spoken, yes. (One reason is the hydraulic-hushed valve lifters now in all Chevrolet engines—V8 or 6.) And this handsome traveler packs a horsepower wallop that ranges up to 205! It's charged with sheer, concentrated action.

Action that can save you precious seconds for safer passing! Action that lets you take steep hills in ef-

fortless stride! Action that helps you zoom out of trouble spots!

And action isn't all. Chevy holds the road like part of the pavement!

Of course, Chevrolet brings you the security of safety door latches. Instrument panel padding and seat belts, with or without shoulder harness, are offered at extra cost.

Come in and highway-test it.
