YER OUT!

If this has never happened to you no words can describe the awful finality of an umpire's decision. It falls like a sentence of death on a boy's heroic dream. And with it ebbs out the joy of his mightiest hit, and of the fly he caught last inning.

But this baseball helps to build men. A fellow learns how to lose. And that's the first step in learning how to win.

But the biggest lessons of life no sport can teach. On a higher tier than sportsmanship, teamwork and the desire to win are FAITH, BROTHERHOOD, AND DEDICATION OF LIFE. These are the ingredients of spiritual victory—the fabric of God-inspired manhood at its best.

We can rightly be proud of our sandlots and Little Leagues. But the character of American manhood depends most of all on our churches.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. These are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
