MILL CITY JAYCEE ACTIVITIES

By Ronald E. Ragsdale

Plans for the 4th of July celebration to take place at the Mill City Park are well under way. A meeting was held at the park Friday evening to outline the various programs of the day. Representatives from the Lions Club, American Legion, Gates Fire Department and the Jaycees were present. Lions Club President Lowell Fleetwood was in charge of the meeting. It was decided that the Jaycees would handle all the games and races for the children. The Jay-C Ettes have been asked to decorate the concession booths. A complete schedule of events for the day, along with more details on the celebration, will be published at a later date.

This week will be a busy one for the Jaycees. Our regular meeting will be held Wednesday at the Fire Hall. The new meeting place is not ready as yet. The Jay-C Ettes will meet Thursday evening at the home of Mrs. Roy Podrabsky. The same night, according to Scoutmaster Al Nesbitt, there will be a Boy Scout meeting at the scout cabin in the Mill City Park. Time for the meeting is 7:30 P. M. We urge all the scouts to come as well as those interested and eligible who haven't turned in applications to join. The Troop Committee will be present for this meeting.

Saturday is the day of the Oregon State Teen Age Road-o-o. Maurie Bassett, the local winner, will compete with others from all over the state. The driving test will start about 1:00 P. M. in McMinnville.

Santiam Ripples

By Judy Hoeye

School's out! The halls of Santiam are empty and the students are being ambitious and working or they are just plain loafing someplace.

Commencement was held Wednesday evening in the high school gym. It was nice and we were proud of the graduating seniors.

Friday most of the students traveled to Breitenbush for the school picnic. There was swimming, hiking, and fishing to be enjoyed and the students enjoyed them to the fullest. Scads of food was taken and everyone had that slightly "overstuffed" feeling as they left the picnic. After returning to the school, the students received their report cards which told the fatal news.

The honor rolls are as follows:
