By Mrs. John Teeters

Mr. and Mrs. Milton Roten, Bobby and Barbara returned home Saturday from a week's vacation trip. They visited Mr. Roten's mother and other relatives in Ogden, Utah, and spent two days at Yellowstone National park. They also stopped at the Craters of the Moon National monument in Idaho on their way home. The Rotens all report an enjoyable trip but they did encounter some rain and snow especially in Yellowstone park.

Mr. and Mrs. Clifford Crook and baby son, and John Barker left last week for Los Angeles, Calif., after visiting for several weeks at the Charles Crook home.

Mr. and Mrs. Otis Marks visited during the weekend with friends at Rhododendron and also visited relatives at Woodburn on their way home Sunday.

Visiting during the weekend at the J. M. Teeters home were Mr. and Mrs. Don Engdahl (Susee Teeters) and sons, Lee and Max from Santa Rosa, Calif. Saturday dinner guests at the Teeters home were Mr. and Mrs. Bill Horn and three sons from Eugene.

Sunday visitors here from Astoria were Mr. and Mrs. Reed White, Philip and Janis.

Mr. and Mrs. Chris McDonald and Mr. and Mrs. Harold Longfellow and three sons visited during the weekend at the Don Stensland home at Pacific City.

R. D. McLeod and son left the first of the week for their home in Ruth, Nevada, after visiting several weeks with relatives and friends here.

Word has been received from Allen McDonald, son of Mr. and Mrs. Chris McDonald, who enlisted in the Army Communications department recently, that he is still at Fort Ord, Calif., but does not yet know whether he will receive his basic training there or not.

Miss Myrna Clason, daughter of the Harry Clasons of Ferndale, Calif., is visiting relatives here during her vacation. Also visiting here are two cousins of Myrnas, Roberta and Edna Keys from Glide.

The two weeks Vacation Bible school that was held at the Mehama church ended Friday morning with a short program and graduation ceremony. Only about 30 received certificates due to the large number that left after the first week to pick strawberries.

**MILL CITY  
JAYCEE  
ACTIVITIES**

By Ronald E. Ragsdale

In the past few weeks, a big improvement has been made in the looks of the Mill City park. Through a joint effort of the Lions club and the Jaycees, much work has been done to make the park ready for the Fourth of July celebration. Every Monday evening finds several men engaged in the job of clearing away the brush and tall grass that has grown the past year. Each week the cleared area becomes larger and larger and soon there will be enough room to accommodate the expected crowd.

The button sale for the event was launched last week. This year, in addition to the button, a person receives three tickets. One is for the barbecue beef dinner, another for the ball game, and the third for the fireworks display. These buttons and tickets may be purchased from members of any participating organization. Advertising posters have been placed around in stores of the area.

The Boy Scouts met again last Thursday evening with the same number turning out as the week before. For the benefit of those interested, there will be a meeting every Thursday at the scout cabin in the park. Time for starting is 7:30. We are hoping more boys will show up at the next meeting as the program is just getting started and they can have a hand in shaping the things to come. A camping trip to one of the lakes has already been discussed.

Last Wednesday evening saw several Jaycees working at our new meeting place. The windows were washed and the venetian blinds removed and cleaned. The walls are ready for painting and that will be started this week.

There will be a regular meeting at the Fire hall Wednesday. All members are urged to attend as we will lay plans for the children's sports events to be held on the Fourth. Clyde Hathaway heads the committee for this program.

Felicitations are in order for Mr. and Mrs. Clifford Toyce of Detroit, on the birth of a daughter, June 10 at Santiam Memorial hospital at Stayton. Grandparents are Mr. and Mrs. Pat Patterson, Idanha. The same goes for Mr. and Mrs. Robert Guerin on the birth of a son, June 10 at Santiam Memorial. Grandparents are Mr. and Mrs. Chick Mason. Mrs. Guerin is the former Martha Mason.

Mrs. Joe Leis was released from Santiam Memorial hospital at Stayton Monday morning, and returned to her home in Detroit. She was taken to the hospital Wednesday evening with what was believed to be a recurrence of a heart attack. However, this was not the case. She is getting along o. k. The Leis's son, Robert, and family of LaMirada, Calif., arrived here Friday evening. They were called here due to his mother's illness. They left for their home Tuesday morning.

Mr. and Mrs. Earl Moorty, who purchased the Henry Heibert place on Santiam street are adding an addition to the building. They recently purchased an adjoining lot from Harry Patton. Fred Snyder announced that he purchased the next lot to it Monday. These lots are Snyder 13 of the Hammond addition. Snyder also said he is now in the process of building a fire place in his new home situated near the store building. He also said that a family of otters have moved in down at the lake. They may be seen fishing and playing around the dock at night.

Howdy's (Lake Club) is taking on a new look. It is now undergoing a bright red coat of paint. Very nice.

Looks like one Idanha family will be kept pretty much to home for awhile. All five children of the Wayne Tompkins have the measles.

Tuesday callers at the Joe Leis home were Mrs. A. B. Leis, and sons, Charles and Leonard and daughter, Inez of West Slope, Portland. The A. B. Leis's are vacationing at Breitenbush Springs. Mrs. Leis is Joe's sister-in-law.
