Mill City Garden Club To Have Field Trip

A covered dish luncheon was held at the home of Mrs. Nat Wills Thursday by members of the Mill City Garden club. Guests were Mrs. John Swan, Mrs. Dave Barnhardt and Mrs. O. E. Hoodenpyle. Mrs. Adolph Brunner presided at the business meeting when it was decided to have a field trip August 1 when members will view local gardens. The day will start at 10 a. m. with a coffee at the home of Mrs. Ike Myers then a 1 p. m. luncheon at the home of Mrs. James Swan. Other gardens expected to be visited are the Walter Olmsteads, Herbert Schroeder and Wendell Hellers. The Garden Club members agreed to have their Fall flower show with the Lyons Club if that club decides to hold one.

Mrs. Brunner, who is also president of the North Santiam Gladiolus Society states that group will have their next meeting July 17 at her home. Plans will be made for the Fall glad show which will be August 17 and 18 at the high school recreation room. Ford Wilson, past president of the Society, who recently moved to Alaska, has sent word to members that he has his bulbs in the ground and expects to have blooms next year. He says there are about 120 "growing days" for gladiolus which allows them time to mature.

Mr. and Mrs. James Aranjó and children of Castro Valley, Calif., were guests last week at the home of Mr. and Mrs. Mel Rambo. Mr. Aranjó, who is manager of Industries of the Hayward Chamber of Commerce, remarked that he thought Mill City had a natural setting to draw industry. Mrs. Aranjó is a niece of the Rambos.
