This one *wants* you to get choosy! For Chevrolet loves to show what it's got inside, outside and in performance. Chevrolet is the only car in its field with Body by Fisher—sturdily put together, with a solid, substantial look. Fine finishing touches on every side confirm the craftsmanship that goes into its making.
Chevrolet's response and performance are pretty special, too. There's a well-what-are-we-waiting-for spirit in the engine, especially when you show a Chevrolet a mountain. And you'll do a lot of looking to find comparable smoothness, steadiness and nimbleness on the road—at any price! See a Chevrolet at your dealer's—see how much more it has to spark excitement and your pride!
