Out driving, a couple named Purvis
Found their children were frequently nervous.
But they got at the cause—
They found time to pause
At the sign of fine Minute Man service.

He will be 88 in December. Mrs. Richards was introduced to Mrs. A. E. Vaughn, who came up from Salem, in a most attractive Centennial gown, and they recalled they went to school together in Mill City in 1890, then known as Daisy Thomas and Lena Budlong.

Mrs. Mary E. (Molly) Alexander of San Louis Obispo, Calif., spent several days in Gates this past week. She will be remembered by many as Molly Gates, of the family after which our town was named. She was accompanied by her husband, and her sister, Mrs. Sophia Johnston of Portland, and all enjoyed visiting with former friends and relatives here.

George Flook, 84, of Mill City, was at the Fair Sunday. He first came to this area in 1881 and owned the farm now known as the Elmer Stewart home. Much reminiscing was done by all the oldtimers, and more than one touched on the oldtime Niagara dam, which has been much publicized lately, and reported as being built by Chinese labor. Some contend that this is not so, and we suggest that those who know the facts, put it down in writing to The Enterprise and get this important point settled now, so it can be recorded correctly!

Non-Surgical Method Cures Hemorrhoids Painlessly

A relatively painless, non-surgical method of treating hemorrhoids (piles) is working therapeutic miracles for thousands who suffer from rectal and colon disorders.

A recently developed electronic treatment is proving more effective than surgery, with none of the after effects of surgery.

The treatment requires no

hospitalization or confinement. Patients show marked improvement almost immediately, and uncomplicated cases can be frequently corrected in as little as 10 days.
