Little League of Area Starts Schedule

By Jean Roberts
MEHAMA—Summer schedule of the Little League baseball games for Mehama, Stayton, Mill City, Lyons and Scio, officially opened this week with games Monday and Thursday. Mehama scored a win over Scio 10-1 Monday evening and over Stayton 9-3 Thursday night.

This is the second year for a Little League team in Mehama, and the first time they had a field of their own on which to play. Sparked by enthusiastic boys from the community has sponsored the Little League by raising \$218 for Little League equipment, and found a field for their use for a baseball diamond.

The field belonging to Mrs. Van Handel was discovered by Austin and Harold Longfellow and permission granted for use for baseball. The work of readying it began with a grader loaded by Freres Lumber Co., a cat by Roberts, a tractor from Joe Barrows and Merwin Knox. Days were spent picking up rocks and leveling the infield.

A backstop was erected with lumber donated by Bill Roberts, whose sawmill is nearby. Joe Barrows donated wire and Don Teeters, Kenny Lewis, Austin and Harold Longfellow and Ray Roberts donated work to erect it. Two player's benches were donated by Don Teeters.

In another corner of the field another backstop was put up for the pee-wee players; those under 10, who also want to play baseball.

Bats, balls, catching equipment, head protectors and tee shirts bearing the name Mehama, have been purchased and three teams will be in play this season; Little League players ranging in age from 9 to 13. Babe Ruth League, players from 13 to 16 and the Pee-wees, under 10.

The Babe Ruth League which is composed of players from Mehama and Lyons will play at Mt. Angel Sunday. Pee-wee's will have their first game next Friday at Mehama, with Stayton.

Coaching the teams are Ray Roberts and Ed Peters.

Lipstick will come out of clothing if you first rub the garment with lard or vaseline. Removing the vaseline or lard is sometimes a problem with linen, chambrays, etc. Hot suds will often do it or remove grease with solvent before laundering.

U. S. National Increases Rate Of Interest July 1

The United States National Bank of Portland will increase its rate of interest on savings accounts to 3% per annum beginning July 1, 1959, according to E. C. Sammons, president.

This new savings rate, which will be compounded semiannually, is effective at all of U. S. National's 70 statewide banking offices.

In commenting on the higher interest rate, Sammons said the move is designed to encourage thrift and to provide Oregonians with an even greater incentive to save.

Sammons declared the increased interest rate will provide approximately \$700,000 of added savings interest during the last half of this year for the more than 200,000 savings account customers at U. S. National offices throughout the state.

The 3% interest rate is the maximum rate banks are permitted to pay under laws of the Federal Reserve system, Sammons noted.

When you need PRINTING Mill City Enterprise

From where I sit... by Joe Marsh

Don't "Check" With Red!

Red Johnson, owner of the local hardware store, likes to keep business simple—"pay as you go," says Red.

Recently, to emphasize the point, Red had a sign painted for the store window. In big red letters, it read: "Please—absolutely no checks accepted—pay in cash only."

When the sign painter had finished the sign, he delivered it to Red and named his price—ten dollars. "Very reasonable," said Red. And the next thing you know he was handling the

follow a check for ten dollars! From where I sit, some rules we make boil down to "don't do as I do, do as I say." It reminds me of a friend who drank nothing but iced tea and criticized the fact that I preferred a glass of beer. That's not only annoying, it's intolerant. Good neighbors should make tolerance the rule with more "do" and less "say."
