Store your sewing machine needles in a small bottle. Add a drop of oil to keep the needles from rusting.

Chlorine bleaches are most effective in hot sudsy water. If there is iron in the water use a sodium perborate bleach. The chlorine combines with the iron and accelerates the iron stains.

Here's what Mrs. Fred Penfold of the Holley Community near Sweet Home says about electric living...

"WE PLANNED OUR HOME FOR ELECTRIC LIVING... IT'S THE CHEAPEST, MOST EFFICIENT HOUSEHOLD HELP WE CAN FIND"

"All our electric appliances cost just 42¢ per day to operate—and that's the best buy I can think of. Our business keeps us away from home a great deal and we rely on automatic electric appliances for many jobs. And when we're home, electricity helps us live better in more ways than I can count. I agree—electric service is today's biggest value."

Yes, nothing else gives you as much comfort and convenience as your PP&L electric service. Be sure you're making full use of it in your home. See the many modern work-saving appliances at your dealer's today.
