Santiam Ripples

By Sharon Whitsett

Tuesday night the Student Council was again hard at work learning parliamentary procedure and putting it to use. This week hasn't been all work though. As Wednesday night, the yell leaders organized a serpentine. Maybe you heard us as we ran all over town yelling at each player's house. We have a good team this year, and they proved it at the game Thursday when we tromped Chemawa.

A student body just can't seem to run without money so the whole student body is going to sell subscriptions again this year.

Prizes will be given to the students selling the most subscriptions.

From now to December, small and medium size eggs will probably be a better buy than large eggs on a cost per pound basis.

Legal Notices

NOTICE TO CREDITORS
Notice is hereby given that by virtue of an Order duly entered in the Circuit Court of the State of Oregon for the County of Marion, in the Matter of the Estate of Maxine Hill, deceased, the undersigned, D. B. Hill, Jr., is duly appointed as executor of said estate and has qualified as such.

All persons having claims against said estate are hereby required to present the same, together with the proper vouchers, to the undersigned executor at Mill City, Oregon, within six months from the date of this notice.

Dated and first published this 8th day of October, 1959.

D. B. HILL, Jr.
Executor

Attys. for Exec.

STATEMENT REQUIRED BY THE ACT OF AUGUST 24, 1912, AS AMENDED BY THE ACTS OF MARCH 3, 1933, AND JULY 2, 1946 (Title 39, United States Code, Section 233) SHOWING THE OWNERSHIP, MANAGEMENT, AND CIRCULATION OF

The Mill City Enterprise published weekly at Mill City, Oregon for October, 1959.

1. The names and addresses of the publisher, editor, managing editor, and business managers are: Don W. Moffatt, Mill City, Oregon.

2. The owner is: Don W. Moffatt, Mill City, Oregon.

3. The known bondholders, mortgagees, and other holders owning or holding 1 percent or more of total amount of bonds, mortgages, or other securities are: NONE.

4. Paragraphs 2 and 3 include, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting; also the statement in the two paragraphs show the affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona-fide owner.

5. The average number of copies of each issue of this publication sold or distributed, through the mails or otherwise, to paid subscribers during the 12 months preceding the date shown was: 790.

The Impala 2-Door Sport Coupe

SEE IT NOW AND SEE ALL THESE

new and different things

IN THE 1960 Chevy!

!new!

easy loading luggage compartment

New convenience has been built into Chevy's big, vacation-sized luggage compartment by lowering the loading height.

NEW

spaciousness inside

Inside you'll find room and more room. There's room to sprawl in, room to sit tall in—and the roofline has a respect for hats. A new flatter transmission tunnel is a boon to the middle man. Here is the kind of space that invites the family.

THRIFTIER

!!!new!!!

VS POWER

Under the hood thrift is accentuated in a new standard V8, engineered to deliver up to 10% more miles for every gallon while giving you more zest at normal speeds. Or you might choose its teammate—Chevy's Hi-Thrift 6—the engine that starts saving the moment you flip the ignition switch.

NEW QUIET AND COMFORT

Thicker, newly designed body mounts insulate you from road shock and noise, insuring an almost cocoon-like quiet. Full Coil spring suspension melts bumps as no other suspension system can. Oil flushed hydraulic

valve lifters reduce engine noise to a whisper.

!NEW!

refinements for the driver

Everybody will want to be the driver when he sees the kind of pleasure a turn at the wheel brings. The driver finds Chevy has further cushioned him from engine impulses by an improved clutch linkage system. He'll also find a convenient new parking brake that automatically returns to normal height after application.

NEAREST TO PERFECTION A LOW-PRICED CAR EVER CAME!
