Word was received this week by The Enterprise that some of the young folks at school have not been returning the slips for solicited food for the November 5 PTA dinner. The food committee is anxious to find out the number of pies, salads, etc., that will be donated by PTA members. If anyone has not received this slip, make a "pocket check" and see that it is returned to school, or contact Mrs. Wendell Heller at 7643.

## Mrs. Lawrence Brent Hostess to Fraternity

Mrs. Lawrence Brent of Mill City was hostess Saturday to members of Kappa chapter of Delta Kappa Gamma, national fraternity for women teachers, at their October meeting. Members in attendance came from several towns.

The program subject for the meeting, "Appraisal of Teacher Training Program," was first discussed by Miss Helen Reed, member of the teaching staff of the School of Education at Oregon State College who is in charge of students who are doing their practice teaching in Corvallis. Group discussion followed.

The job of training teachers calls on the resources of the total university, not solely upon those of one department, Miss Reed stressed. A trained teacher, she said, needs more than a little knowledge, for instance, in sociology, anthropology and semantics.

As salaries for teachers improve, teachers are becoming less professional, because the salaries are attracting many who are unprofessional in their outlooks, Miss Reed said.

Mrs. Brent was assisted in serving a buffet dessert by Mrs. Doris M. Sheythe and Mrs. Jewel M. Boone, both of Mill City, who were guests at the meeting. Throughout the rooms and on the refreshments table were striking arrangements of dahlias in glowing colors.

Several musical numbers were given also by Mrs. Boone at the piano and Mrs. Sheythe, who played the violin and the viola. Mrs. Sheythe also performed an entertaining number that called for piano and voice and was appropriate to Columbus Day.
