Lyons Garden Club Plans for Spring Flower Show

LYONS—Ann Holzfuss assisted by Pat Blum was hostess for the meeting of the Garden club held at the Holzfuss home Wednesday afternoon. Virgeen Scott presided over the meeting with Mrs. Holzfuss secretary. A general discussion was held on meeting through the summer months. It was voted to continue meeting with more field trips and picnics, so as the members who are working through the summer would not miss the speakers and demonstration meetings. It was also voted to have a spring flower show which will be held in April or May which will be the 10th anniversary of the Garden Club. They also decided on The Dahlia as the town flower for this year. Everyone is to see what beautiful dahlias can be grown to help beautify the town. For entertainment a guessing game and naming of flowers were held with Donna Asmussen winning the prize for the guessing game, and Alma Spellmeyer won the prize for naming the most flowers in the time set, and the door prize was won by Dorothy Downer. Preceding the meeting a one thirty dessert luncheon was served to Gladys Edwards, Celene Taylor, Alta Bodeker, Mable Downing, Martha Cruson, Evelyn Julian, Virgeen Scott, Bea Hiatt, Doris Roy, Donna Asmussen, Gertrude Weidman, Marian Pennington, Betty Carter, Dorothy Downer, Alma Spellmeyer, Ruth Cotton, Eva Bressler, Clara Rohwein, and the hostesses Mrs. Holzgurr and Mrs. Blum.

WORTH MORE BECAUSE THEY WORK MORE

Chevy's new torsion springs and Sturdi-Bilt design are changing everybody's ideas about how much work a truck can do. Last year's schedules are out—Chevrolet trucks ride faster over the rough runs to get in more trips a day! Big repair bills are no longer a problem—Chevrolet trucks soak up punishment that means downtime to other makes! And trade-in time's put off for extra thousands of miles—'60 Chevrolet trucks stay new like never before!

New Dollar-Saving Prices
Step-Vans, 4-Wheel Drives, many light-duty models with automatic transmissions—all are lower priced. Prices have also been reduced on all optional V8's.

New Torsion-Spring Suspension
Eliminates I-beam shimmy and wheel fight! With torsion springs up front there's a brand-new, smoother, easier handling feel behind the wheel. New rear suspensions include wide-based coil springs in most light-duty models; tougher variable-rate leaf springs in medium- and heavy-duty models.

Electronically Balanced Wheels
Front wheels and tires are balanced at the factory. Helps make that new ride revolutionary!

New Cabs—Wider, Safer, More Comfortable
Many models are a whole 7 inches lower (without sacrificing road clearance), so it's easier to hop in and out of cabs. Still there's more space inside; more room for hats and hips, more foot room with suspended pedals. Cabs are safer, too; new build makes them 67% more rigid.

Plus Improvements All Through the Line
A new steering linkage system that cuts vibration, means better control. There's new V8 efficiency. Sixes long famous for saving. New key-turn starting. Higher, wider visibility. Talk to your Chevrolet dealer about the world's most advanced trucks.
