## Elementary Staff Here Named for Coming School Year

Lawrence Brent, superintendent at the Mill City Elementary school this week listed the staff that will be at the school next year.

Brent will again serve as superintendent and there were two resignations; those of Mrs. Fern Sletto, who has taught in the schools here for many years and Mrs. Helen Fowler. Mrs. Sletto said she did not feel that her health would permit her to teach next year and Mrs. Fowler is moving to California where her husband is employed.

Mrs. Margie Parker, who has been teaching at Mehama for the past several years, will teach in Mill City this year. Other teachers include Mary Brent, Lois Putman, Sigurd Grimstead, Mary Loucks, Jewell Boone, Vera Smith, Jane Truitt, Audreyanne Morley, Leo Poole, Robert Thorpe, Doris Sheythe, Alice Smith and Earl Loucks, who will teach band. Grades have not been definitely assigned yet, according to Mr. Brent.

Gladys Podrabsky and Helen Ellington will again serve in the cafeteria; Claude DeFrates and Howard Farmer will serve as custodians; Gene Davidson, Leo Poole and Robert Thorpe will be bus drivers and Edna F. Ross will serve as secretary of the school.

On the board of education are Walter Mackie, chairman; Martin Hansen, Albin Cooper, Frank Moore and Julia Bassett.

## Girls Trio To Perform May 4th

"My Fair Lady" will be done in music and narration on the night of May 4th, it was announced today by Robert Harris, director of music at Santiam Union high school.

Selected to do one of the songs on the program was the Senior Girls' Trio consisting of Frances Baughman, Yvonne Dickie and Sandra Thomas.

Mr. Harris made the comment when he selected the group to participate: "these girls have done a wonderful job in the past, and I'm sure the presentation on the concert will be up to the usual standard of high musical quality."

Tickets for the concert will go on sale soon.

## Chorus and Band Members Have Day Out Last Wednesday

A bus load of chorus and band members from the Mill City grade school enjoyed a day of fun at Benton-Lane amusement park on Highway 99 north of Junction City last Wednesday.

The group went first to Crawfordville where they presented a concert to the students of that area. Lawrence Brent said their performance there was very good—even better than at Open House recently.

The youngsters enjoyed swimming, skating, dancing and from what was heard after the trip LOTS of eats at the park.

Adults accompanying the group were Mrs. Doris Sheythe, Miss Alice Smith, Robert Thorpe, Larry Brent and Earl Loucks.

## Bill Longenecker Now In San Francisco

The Enterprise received a letter this week from Bill Longenecker asking to have his paper sent to him on the Monticello.

The Monticello is a Landing Ship Drydock and was commissioned on April 5, 1957. The ship is now in San Francisco for a general overhaul and will be in drydock for about a month and a half.

Bill says he enjoys reading about his friends in this area although he likes the work he is doing now in the navy.

Canned apricots are in unusually good supply. Two times as many on hand as a year ago. Canners, wholesalers and retailers are likely to be offering enticements to consumers to move the supply. So be ready.
