### Mehama Women's Club To Have Gift Food Exchange

Mrs. Grant Smith and Mrs. Art Andersen were hostesses for the meeting of the Mehama Women's club at the clubhouse Thursday evening, November 15.

The business meeting was presided over by the president, Mrs. Charles Champ, who also appointed the new committees for the year. The street light committee reported that quite a few had not made their payments on the 1962 lights. Payments should be made at Golliet's so proper credit can be given.

Mrs. Raymond Branch and Mrs. Lilly Wolfkiel, who were delegates to the Marion County Federation of Women's clubs meeting, at the Children's Farm Home at Corvallis, gave an interesting report about the various changes at the home and the program for the meeting.

It was decided to have the usual gift exchange of home baked food at the December meeting. Each member was also asked to bring a gift to be taken to the Marian Home. The gifts should be wrapped and marked either for man or lady and have a card inscribed from the Mehama Women's club.

At the close of the meeting the hostesses served pumpkin pie and coffee to the 13 members present.

### Vietnamese Engineers Train At Dam

Three Vietnamese engineers, Do Trong Phuc, Nguyen Huu Do and Pham Huu Binh, are spending two weeks in training at the Portland U. S. Army Engineer District Detroit dam on the North Santiam River, 45 miles southeast of Salem.

According to Donald A. Westrick, Detroit Dam Project Engineer, the three men, recent graduates of the Vietnam College of Engineering, are in the United States under a program sponsored by the Agency for International Development.

Their stay at Detroit dam, which will be completed November 23, is only part of a training program for the operation and maintenance of hydroelectric plants.

The program provides for technical and financial assistance to the Government of Vietnam for establishment of an electric power system for about 50 towns in Vietnam.

Under Japanese war reparations agreement, the Government of Vietnam is undertaking construction of the 160,000 kilowatt Danhim power project and the three trainees at Detroit dam are being prepared for its operation.

### Retarded Children Ass'n. To Meet On December 11

Mrs. LeRoy Podrabsky, chairman of the recently formed Upper Santiam Chapter of the Linn Association for Retarded Children said the group would meet again December 11.

She said the public might be interested in the objects and purposes of the National Association with which the county and city group is affiliated.

Governor Mark Hatfield has designated this as Mental Retardation week.

1. To promote the general welfare of mentally retarded children of all ages everywhere; at home, in the communities, in institutions, and in public, private and religious schools.

2. To further advancement of all ameliorative and preventative study, research and therapy in the field of mental retardation.

3. To develop better understanding of the problem of mental retardation by the public and to cooperate with all existing agencies.

4. To further the training of education of personnel and work for the field of mental retardation.

5. To encourage the formation of parent's groups, to advise and aid them.

6. To further the implementation of legislation in behalf of the mentally retarded.

7. To serve as a clearing house for gathering and distribution of informative information on the mentally retarded.

8. To solicit and receive funds for the accomplishment of the above purposes.

president; Mrs. Sam Bridges, secretary and Mrs. Truman Tibbets, treasurer.

Albert Inman, who operated the Sunset Cafe at Gates had suffered a heart attack and Mrs. Charles Blackburn was assisting at the eating establishment.

Mr. and Mrs. Tom Kanoff became the parents that week of a baby girl, Linda Jean. She had a little brother, Tommy, 2 1/2.

### Ten Years Ago

At Detroit the Women's club had selected officers for the ensuing year with Mrs. Alice Moore, chairman. A Teacher's reception was being planned by the group.

A special census taken in Mill City showed the figure at 1223 which was below the estimate figured by many residents. Those assisting with the census taking were Mrs. Howard Farnen, Mrs. Harold Kiewer, and Mrs. Ed Rupp.

Good venison is often times spoiled because hunters fail to skin the animal and cool it as soon as possible after it's shot.

Skin the animal and let it hang until meat is dry and no longer sticky. This hastens formation of a glaze which helps prevent spoilage and keeps meat clean.
